review of the working of the Arms Act

The current is a reply (both written & badly composed) from the Collr of S. Canara to a point raised in the last Coll Trades Return by the falling off in the desirability of the issue of licenses in form XXI

The Collr seems to think that the (B) Sec Govt. granted him authority the free conversion of licenses in form VIII to XI. But all the Govt. states, is that Govt does not wish Collrs the issue of

licenses in form XI if the conditions of the licenses are adhered to.
