GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 2078, dated 9th June 1897:—

Read—the following letter from B. MACLEOD, Esq., B.A., Barr.-at-Law, Acting Collector of Trichinopoly, to the Secretary to the Commissioners of Land Revenue, dated Trichinopoly, 20th May 1897, Ref. (b) on C. No. 1539 Rev. of 1896:—

I have the honour to submit the following case for Board's orders under paragraph 2 of Board's Standing Order No. 117.

2. Survey field No. 437, measuring 7.63 acres in the village of Siruvachur in Perambalur taluk is registered in the accounts as tank poramboke known as Pachukulam. Survey field No. 375 (old survey field No. 799-B. of the same village, measuring 2.22 acres with an assessment of Rs. 3-10-0 was confirmed free as inam for the upkeep of that tank in the names of Ranga Kavandan and Rama Kavandan under title-deed No. 720 (*vide* page 319 of the English inam register of Perambalur taluk). According to re-survey the inam land measures 2.34 acres and bears assessment of Rs. 4-2-0.

3. The tank is very much out of order. It has not been repaired for the past many years; its bunds have breached, and it is incapable of holding any water. Its repairs will cost much. By successive alienations, the inam land has been transferred to and is now enjoyed by one Chinnatambi Pusari, without the object of the grant being fulfilled. It has to be resumed.

4. I addressed the President of the Taluk Board, Ariyalur, asking him whether the Taluk Board would take up the inam land and appropriate the income derivable therefrom to any useful purpose consistent with the object of the grant. He states that the Taluk Board is prepared to take up the land and spend its income in maintaining a similar tank in the neighbourhood, or in opening a water-pandal in the village during the hot season. I submit a copy of the Taluk Board's Resolution, dated 30th April 1897.

5. Under the above circumstances I recommend that the inam may be resumed and made over to the Ariyalur Taluk Board. I propose to sell in auction the land occupied by the tank, subject to the payment of the assessment.

Resolution—Mis. No. 2078, dated 9th June 1897.

Submitted for the orders of Government.

2. The Board recommends that the charitable inam covered by title-deed No. 720 of the Perambalur taluk may be resumed and the assessment made over to the Ariyalur Taluk Board as proposed.

3. With regard to the proposal to sell by auction the bed of the ruined tank in question, the Collector is requested to report whether the water of the tank was being used solely for drinking purposes or for irrigation also, and also whether the inamdar puts forward any claim to the bed of the tank.
