PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following.

Proceedings of the Court of Wards, No. 1119 Mis., dated 13th July 1897:-

Read the following letter from the Collector of Vizagapatam, No. 948, dated 4th July 1897:-

I have the honour to state that about the middle of April last, the Executive Engineer gave me to understand that an estimate for repairing the bank of the Sarada river at Jampapalem in the Kasimkota estate would be ready almost immediately and requested me to place funds at his disposal to carry out the work. It was urgently needed being the weakest point on the Sarada river embankment of the Kasimkota estate, and was put in hand to afford relief to poor labourers in this part of the ~~District~~. I therefore debited Rs 5,000 to the funds of the Kasimkota Estate and credited it to "Public Works" in anticipation of the Court's sanction. The Executive Engineer has not been able to send in an estimate as yet but much progress has been made.

2. Under these circumstances I request that my action may be approved. I shall submit the estimate for the work as soon as it is received.

[P. W. 40. 1,500—13-4-97.]

received from the Executive Engineer.

Resolution.

The Collector's action is approved.

2. The list referred to in para 3 of Court's Proceedings 1142, dated 24th August 1896 should be forwarded in due course

3. A copy of these proceedings will be submitted to Government with reference to Govt. Order No. 2728W, dated 24th September 1896
