Irrigation.

READ—the following paper:—

From A. JOYCE, Esq., Executive Engineer, Tinnevely Division, to the Superintending Engineer, VI Circle, dated 15th November 1896, No. 4898.

With reference to your No. 474 T.W., dated 3rd September 1894, I have the honour to forward a copy of letter, dated 5th instant, from the pleader who conducted the suit on behalf of Government about the surplus weir of Gangaikondan tank reporting that the suit has been decided in favour of Government.

ENCLOSURE.

Copy of communication from M.R.Ry. G. RAMASESHA AIYAR Avergal, Government Pleader, Tinnevely, to the Executive Engineer, Tinnevely Division, dated 5th November 1896.

With reference to your letter, No. 4703, dated 28th October 1896, desiring me to inform you of the result of O.S. No. 208 of 1894, on the file of the additional District Munsif's Court, Tinnevely, I have the honour to state that the plaintiff's suit was dismissed with costs on 30th June 1896. The gist of the decision is that the plaintiffs have no right to question the action of the Government under the circumstances of the case, and that the plaintiffs should pay the costs of the contending defendants. I immediately communicated the result of the case to the Collector's office. The copy of the judgment I obtained from the Court was also forwarded to the Collector's office about two months ago.

I wish to know if I should obtain from the Court another copy of the judgment and send it to you.

No. 1300 T.N.

Copy, with copy of the enclosure, is submitted to the Chief Engineer for Irrigation, with reference to G.O., No. 612 I., dated 27th August 1894.

2. It would appear from the Government Pleader's letter that a copy of the judgment has been sent to the Collector, which, it is presumed, will be sent to Government, through the Revenue Department.

TRICHINOPOLY,
25th November 1896.
