Proceedings of the Board of Revenue

Dated 7th September 1897. 189 .

No. 7259 Mis.

READ..... the following letter from the Collector, of Canjam Ref No. 3567/F of 97, dated 24th August 1897.

The District Medical officer has pointed out that the medical subordinates on Famine and Cholera duty have to constantly travel from village to village and carry their medicines with them.

2. In order to obviate the delay likely to be caused by being constantly hiring separate coolies , he requests that each medical subordinate may be provided with a permanent cooly for this purpose . I support the recommendation as the Establishment appears necessary. An allowance of R5 per mensem without batta may be paid to each of these coolies.
