For orders

In their letter dated the 18th February 1896 the Govt of India requested that instructions might be issued for the collection of about 20 tons of steeble from Maddavaram village in the Nandyal Taluk of the Karnool District, for despatch to the India Office for Messrs Sugg & Co. and added that they would be when the shipment was completed. Thereupon, the Board of Revenue was asked to issue the necessary instructions and to give intimation to Govt when after despatching the Consignment. After some correspondence between the Board and the Collector, the latter appears to have entered into a contract with a sowcar at Bellamcherla for the collection of the required quantity of the mineral. delay seems to have occurred
 because Mr Middlemings
 had to go to Kurnool to
 inspect the Collection and
 a portion of it was found
 to be not up to the mark.
 With their letter dated
 the 27th February 1897,
 the Govt of India forwarded
 a copy of a despatch from the
 Secretary of State enclosing
 a letter from Messrs Suggs
 Co. and requested to be
 favoured with a report,
 as to the information of this
 was being taken
 the trial Consignment which
 for on behalf of the firm,
 and also to whether there are
 any local merchants who
 would be willing to enter
 into correspondence with
 that firm for the regular
 supply of the Mineral.
 The Board of Revenue was
 asked to ~~report~~ furnish in-
 formation on both the points
 in G.O. No 1426 D 15-3-97 form.
 and again in G.O. No 135,

dated the 24th July 1897. It
 was asked to state when
 the report might be expected.
 The Board has since
 informed Govt that a
 Consignment of about 14
 tons of steatite has been
 received from Kurnool.
 that the deal-wood boxes
 containing the Mineral are
 not ^{being} in a condition for des-
 patch, the Superintendent

Public Works Workshops

has been requested to make

them quite secure and that
 the Consignment will be
 shipped immediately after
 this is done.

No ~~form~~ information has
 however yet been furnished
 on the second point mentioned
 in the Govt of India's letter,
 namely, whether any local
 merchants would be willing
 to enter into correspondence
 with the firm ^{of Messrs Suggs & Co.} for the regular
 supply of the Mineral.

Seeing however that the
 Govt of India has been
 sending reminders after

Rem.

on the subject of the assign-
ment of the trial consign-
ment of steatite asked
for on behalf of Messrs
Sugg & Co., I am directed
to state that about fourteen
tons of the mineral have
been received at Madras
from Kurnool and that as
the boxes containing the collection
are not in a condition fit for
immediate despatch, it will
be shipped by the Board of
Revenue direct to the India
Office, as soon as the pack-
ages are rendered secure.

The delay is in all
probability due to the
worry and anxiety
pressure of famine
work. Submitted this
is now worrying

tions

I am to add that an explanation of the delay in getting the ~~proper~~ quantity required as well as the information asked for as to whether any local Merchants would be willing to enter into correspondence with the firm of Messrs Sugg & Co. for the regular supply of the Mineral, will be furnished to the Govt of India on receipt of a Report which the Board

Quinn has been asked
of Keweenaw to expedite.
