For orders

A temporary escheat establishment consisting of 2 clerks one on Rs 25 and another on Rs 20 — was first entertained in the Ponnani taluk office on 7th March 1895, for one year under G.O. 597 8.2.95 the retention for a further period of about six months and again for a year ie till 30th September 1897 was sanctioned in G.O. 1238 18.6.96 and 5124 12.12.96. The Collector now applies for a further retention of the establishment for another year.

towards the close of last year, it will take about a year more for the temporary establishment to complete the work. The Collector reports that the permanent taluk establishment is already over worked and that if this additional work be thrown on it, the work will drag on indefinitely, and recommends therefore the retention of the establishment for another year ie until 30th Sept. 1898. The Board supports the proposal and also informs the Collector that no further extension will be allowed and that he should have the remaining work completed before the end of that period.

3. The charge is proposed to be met from general savings under 3. Land Revenue Sub Divisional establishments.

4. It is submitted that in the above circumstances the retention asked for may be sanctioned.
