PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following papers—

From the Accountant General, Madras, dated 3rd September 1897 No. 2726.

With reference to your Memorandum No. 1717 dated the 14th August 1897 asking me to report about the correct classification of advances made to Cultivators in the affected districts, I have the honour to state that the matter has been referred to the Comptroller General and that I will submit my report on receipt of a reply from that officer.

In this connection, I request that I may be favoured with a copy of the orders passed by the Government of India on the reference made by Government regarding the continuance of advance in the Madura District for the conversion of dry lands under the Periyar into wet.

Telegram from the Government of India Finance Department, Simla, dated 6th September 1897.

Your telegram 31st famine advances

it is not understood how the Government of Madras has sanctioned an expenditure of eleven lakhs of advances against a budget allotment of two and a half only. Your present communication do not show under what control the advances are made. Please report what precautions and limitations are imposed upon disbursing officers as it is presumed that they are not allowed a free hand and that they are required to submit estimates and to work on them. Please refer to this department letter Number 5409 A dated 22nd December 96 the mere periodical report of expenditure incurred is obviously insufficient compliance with the financial rules.

No. 701 A dated 31st August 1897 with the request that the information required by the Government of India may be furnished at a very early date, that asked for the Accountant General being supplied to that officer direct.
