Madras, 27th August, *1897.*

The Secretary to the Government of Fort St. George,
Revenue Department,
Ootacamund.

Sir,

I have the honour to inform you that at the last Annual General Meeting of this Association it was resolved:-

"That this Association would wish to record its thanks to H. E. the Governor and the Government of Fort St. George for the active interest ~~it has~~ taken in the subject of the introduction of Lady Birds and other natural enemies of the insect pests ~~and~~ to which Tea & Coffee are subject, and for the promise of practical help, as conveyed in G. O. No. 634 of 27th July 1897."

In this connection, I may appropriately add that a resolution was adopted on the same occasion to the effect that, in the event of a sufficient sum of money being raised, a consignment of Coccinellidae should be imported with the object of combating scale pests, and that a qualified person — probably Mr. Howard O. Newport, Hon. Secretary of the Lower Pulneys Planters' Association — should be despatched to Australia or elsewhere to collect and bring back the Coccinellidae.

I have the honour to be, Sir,
Your most obedient Servant,
Secretary.
