Resolution

Submitted to Government in continuation of Board's Proceedings No. 2529., dated 10th July 1897, recorded in Government Order No. 3832, dated 23rd July 1897 Mis.

2. The number of cases under the old settlement in Kottayam in which title-deeds had to be prepared and the number of persons to whom they related were shown in the Progress report for May as 195 and 24, respectively, while they are shown in the report for June as 204 and 25 respectively. The discrepancy requires explanation.

3. The number of lands shown as pending in the Walluvanad taluk under the new settlement in the previous progress report was 89. Deducting therefrom the 40 lands shown as settled during the month the correct number remaining to be settled is 49, while the number of cases pending at the end of the month is shown as 59, and the increase has not been explained. The Collector is requested to supply the omission.
