PETITION

THE DEPT.

His Excellency

The Secretary in Council
Fort Saint George
Madras.

May it please your Excellency,

I beg leave to approach your Excellency in Council in connection with my dismissal from the Salt and Akari Department in which I served for a period of seven years as a Sub. Inspector.

Briefly put, the facts relating to my dismissal, as appear from the original order of dismissal and the Board's decision to interfere with it, are that crime was going on largely in my range, that it could not have existed without my knowledge, that the 68 cases charged by the Assistant Inspector were true cases of illicit tapping, and that therefore I was incompetent to hold charge of

of a range. In submitting my appeal to the Board I controverted the points raised by the Deputy Commissioner, repudiating that crime was going on with my knowledge, which I demonstrated.

The Board appears to have been satisfied with the truth and force of this part of my contention and did not therefore base its decision declining to interfere with the order of my dismissal on it.

* Vide Board's Proceedings, Mis.
No 1036 dated 9th March 1896.

Thus the sole ground on which my dismissal stands is incompetency. As, however, the order of dismissal precludes my seeking employment in any respectable capacity, I beg to crave your Excellency to convert the order into one dispensing with my services. The orders in force of both the Local Government and the India Government on the subject of dismissal justifies the prayer - where a servant has been dismissed for incompetency

or breach of departmental rules, the punishment inflicted ought not to operate ^{against} or stand ⁱⁿ the way, his earning an honest and respectable livelihood by being employed under any other department of Government, or the Local and Municipal Boards, or in any respectable firm. The prohibition to re enter public service is to apply only in the case of servants found guilty of malversation or fraud or other offences which entail a defect of character. But as incompetency does not entail defect of character, I beg to pray that the present order of my dismissal may be converted in the manner already indicated or an order furnished to me stating that the Government had no objection to my being appointed to any post in any other department of Government for which I may be qualified or under the Local Boards and Municipalities

Municipalities or in any native
State.

I beg to respectfully add
that wherever I apply for my
bread my application is invariably
put aside on the ground that I
am a dismissed public servant.
I am thus without the means of
earning my livelihood.

For the reasons above set forth
I beg respectfully to crave that
your Excellency in Council will
be pleased to grant the relief
I seek.

I beg to remain
May it please your Excellency
your Excellency's most obedient
and humble servant
