Copy of Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), No.7060, dated 31st August 1897:--

Read the following letter:--

From the Collector of Cuddapah Reference on Current No. 141/F, dated 27th August 1897:--

A sum of Rs.50,000 has been sanctioned up to date for expenditure on gratuitous relief in this district in G.O.No.415 Finl., dated 20th May 1897, communicated with B.P. No.3840, dated 28th May 1897 and G.O.No.626, dated 9th August 1897. According to the monthly returns for June 1897, the expenditure under this head having amounted to Rs.25,547 application was made only for a sum of Rs.50,000 being the original estimated amount. The expenditure in the month of July 1897 amounted to Rs.31,397 and the sanctioned amount has already been exceeded by nearly Rs.6,70. Further allotment is therefore urgently wanted.

2. I have the honour to request that the Board will be pleased to obtain the sanction of Government for a further allotment of Rs.45,000 under this head. Out of this amount Rs.6,677 represents the excess over the allotment already spent and the remainder is the anticipated expenditure in August and September 1897.

3. The above estimate is based on the ~~estimate~~ presumpt that the recent rains will diminish expenditure under this head and enable relief operations to be closed generally by the end September 1897. The amount will, it is presumed, be also sufficie to cover expenditure that may have to be incurred in October if any destitutes then remain to be fed in kitchens. Although th season's prospects in the district are at the present moment ve favourable I am unable to see under the present policy how gratuitous relief operations are to be contracted except with extreme slowness.

4. I have authorized the Divisional Officers and Tahsild to incur further expenditure pending receipt of orders.

Resolution

## Resolution

Submitted to Government with the request that the additional allotment of Rs.45,000 applied for may be sanctioned at a very early date.

2. The Collector is unduly sanguine in supposing that gratuitous relief can be closed by the end of September . The big crops which are being put down in the end of August will not be reaped till December and January

Copy of note by the Hon'ble Sir Henry Bliss K.C.I.E., dated the 9th September 1897:--

I don't understand what the Collector means by the last sentence of his para 5 about the present policy. It is a matter to be looked into in the Revenue Department.
