READ... the following letter from the collector of Kurnool, Ref: on let^o 704 of 97 dated 23rd August 1897.

* to be kindly returned. In forwarding herewith an abstract supported by Vouchers showing the amount of charges incurred from the 8th July to 10th August in connection with the arrangements made to combat the spread of cholera on the Joharapuram works, I have the honour to request that the amount of expenditure therein specified viz: Rs. 1,143-12-3 may be sanctioned at an early date.

The Expenditure shown in the above abstract does not include the pay of the certificated Sanitary Inspector for whose entertainment also from the 10th July last on a salary of Rs. 50/- plus the

the horse allowance of Rs. 15/- per
manseer, the formal sanction of
the Board is requested.

Resolution

Submitted to Government in conti-
uation of Board Proceedings 5566,
with the request that the expenditure
may be sanctioned. The expenditure
on disinfectants is unexpectedly small.

as to whether the charge may
be sanctioned.

2. In a draft now in circ it
is stated that the purchase
of disinfectants will not be
sanctioned except in case of
actual necessity. Here the
expenditure has been incurred
in presence of actual cholera,
but ^{apparently} on the offensive scale
laid down by Dr King whose
memoranda were communicated
to Collectors merely for
information not for adoption
~~the Sanitary Board~~ Rs 1143-12-
is rather a large sum.

This does not include the
Rs 15-9-97 pay of a Sanitary Inspector
on 50+15 who has also been
interviewed.

The Hon. S. H. H. H.

As the expenditure
has already been in-
curred it must be
sanctioned.
