OOTACAMUND,

13th July 1897.

FROM Colonel R. C. Cox
The Commandant, Nilgiri Volunteer Rifles,

TO The Dy Adjutant General
Madras Command.

Sir,

I have the honor to request, that early steps may be taken to have the ground adjoining the New Volunteer Armory demarcated, & that sufficient waste land may be given the Corps as would meet the requirements of a building of this description. It now that the 4th Bn. Pioneers are here, & occupying the old Jail, it appears very necessary that we should precisely know our limits, & on this account it is requested that the matter may be submitted to Government at a very early date.

I have the honor to be

Sir,

I have the honor to reply to Government
Memorandum ¹⁵⁸⁶ _{27th July} on the request of the
local Volunteer Corps that the land immediately
adjoining the new Volunteer Armory
may be granted to the Corps.

2. I am of opinion that a reasonable
extent of land is necessary to the Corps
for ~~practising~~ purposes for Bandmen's
practising for a Morris Tube Range
as well as for Tennis courts & the like.

3. The Executive Engineer had already
marked off an extent of land which

5/1/1895

he thought might be given, but
I have slightly reduced this area
he and the Commandant agree to
my present proposal, which are
shown by the green line in the
accompanying plan. The approximate
area (excluding the ^{Area} ~~Area~~ ²³⁴) is $\frac{1}{4}$
situated in C 285 of Cochin
Belongs. The usual town assessment
is $\frac{1}{4}$ an acre, but at times the parcel
may be free of assessment, subject
to the following conditions

4. The land should revert to
Government if the Corp ceases
to exist, it should be incapable
of alienation & (as recommended
by the Executive Engineer) a right
of road should be retained from the
road

marked B through the boundary
line DE, as it may be desirable in
future to erect buildings on the side
of the Jail Hill near the figure $\frac{0}{285}$.

I have the honor to be
