READ

The following letter from the Principal Assistant Collector, Vizagapatam to the Collector, Vizagapatam No. 277 dated 26th August 1897.

I have the honor to state that there are now some 16,000 cloths in the central store-room at Vizianagaram, that additional cloths will now be received at the rate of 4,000 or more every week, and that the sanctioned establishment for looking after these cloths consists of one gumasta on Rs 15 and two peons on Rs 6 each, which is quite inadequate. I have already had to entertain two more peons, since they have not only to watch the rooms day and night, but also to unpack the cloths received from three depots, tie them up in bundles, put them out to air and do much other work; The gumasta too is quite unable to do all the work, and I do not like to leave a man on so small

a salary in charge of so much property.
Besides I shall have shortly to hire another
house for storing the cloths, as the one in
use is nearly filled up, and an additional
man is required to look after this. I therefore
request you to be good enough to sanction
a gumasta on Rs 25 (who will be a man
on the permanent establishment) and
four peons on Rs 6 each, in addition to the
present establishment.

Read also the following endorsement from
the Collector of Vizagapatam, D. O. No. 3531
dated 26th August 1897.

Submitted to the Board of Revenue.
The gumasta or store keeper asked for is
necessary, also the peons. The Principal
Assistant Collector has been authorized
to entertain them in anticipation of sanction,
which it is requested may be given.

Resolution

The Collector's action is
approved ⁱⁿ and ^{small} ^{the} ^{that} the Store Keeper
at the central depot should be required
to give security just as the stores
at the outstation depots.

Separate orders are being

issued for the sale of cloths.
