Resolution:—

Communicated to the Deputy Commissioner Central Division and the Assistant Commissioner, Bellary Sub-Division, for information.

2. With reference to the concluding portion of the G. O. read above, the Board begs to state that, as Government has not yet expressed its approval of the

Board's

Boards' proposals, for the improvement of distillery establishment contained in its Proceedings disposed of in G.O. No. 132, Dated 1st March 1897, it did not feel justified in making a special recommendation in the case of this particular distillery, especially as the distillers voluntarily offered to pay the cost. There are other distilleries which require the services of an extra officer paid by Government more than this one and which deserve to be considered first.
