OFFICE NOTE No. 212

Dated 26th January 1897.

From

THE CHIEF SECRETARY,

To

THE SECRETARY, REVENUE DEPARTMENT.

In returning the accompanying file without counterinitials, the undersigned has the honour to invite attention to the accompanying copy of letter No.136 M-D, d/ 25th April 1894, from the Govt. of India from which it will be observed that the records of the late Military department were merely lodged in the General Record Office for reference by any department of the Secretariat requiring them. The statement that all matters which used to be dealt with in the late Military Secretariat and which now come up before the Local Government are attended to in the Public department with the aid of the late Manager of the Military Secretariat whose services have been specially retained for the purpose is not quite correct. The late Manager of the Military Secretariat is in charge of the military records under the orders of the Superintendent, General Records and beyond that he has nothing whatever to

Return requested

to do with the disposal of questions connected with the Volunteer Forces which are the only ^{military} papers at present dealt with in the Public department. It may be mentioned that all papers connected with land in cantonments, which were previously dealt with in the Military Secretariat, are now disposed of in the Local and Municipal Department.

Hedrick White
Chief Secretary.

Note for the Secretary

Please see the accompanying office Note from the Chief Secretary.

As it ~~now~~ appears that the Public Department does not deal with all applications of this nature, and as military land is not under the control of the Revenue Department it follows that the Dept of the Secretariat concerned should address the Govt. of India for any portion of the military land which it may require temporarily or permanently. The Revenue Dept is in no way concerned.

It is accordingly submitted that the current may be G.O. No. 492 of 27th Jan'y 1897

Re transferred to the Educational Department with the remark that ^{as} the site in question is ~~not~~ forms part of military land and is not there

under the control of the
Revenue Department,
the application to the
Govt. of India should be
made in the Department
of the Secretariat concerned.
