D. O. No. 59.

Revenue Board Office,
(Land Revenue),
MADRAS.

7 August 1897.

My dear Sir,

The Board is submitting to Government an application from Hooper, Acting Conservator, Southern Circle, for 6 months special leave from September 14th, 1897, and I am directed to address you on the subject of his relief, in the event of Government deciding to grant the leave.

2. It was thought that Cherry would return on the 22nd instant but the papers say that he has obtained an extension of 3 months, which would bring him out by November 22nd, 1897. Hooper does not wish to postpone his leave until Cherry's arrival because he has urgent private affairs which necessitate his early departure. The Forest Member considers that Hooper may be allowed to go at the time he specifies in his application, and directs me to submit the appended minute of appointments for His Excellency's approval with the following explanation.

3. Mr. H. B. Goss, the next senior officer

officer (excluding Mr. Douglas whose claims to the
step have already been rejected by the appointment
of Mr. Hooper) is proposed for the post of Acting
Conservator, Southern Circle. Mr. Goss has already
acted as conservator on two occasions, once in 1893
A and again in 1895. Cowley Brown is already in
Siam, doing duty under Goss, and he can
take Goss's place as District Forest Officer.

4. The Forest Member understands
from the other conservators that they both wish
to take leave in April 1898. It will therefore
be more convenient for Hooper to go now for six
months, so as to return in time to relieve either
Robert or Peet. If Hooper were to wait until
Cherry's arrival, his six months' leave would
carry him on till May or June 1898.

Yours sincerely
