THE Secretary to the
Commissioners of Land Revenue
Madras.

SIR,

The present Taluk office building
at Lannur was built some years ago
according to the old standard design
and contains no accommodation
for the Stationary Submagistrate
and his Establishment and much
inconvenience is felt on account
of the overcrowding of the office. The
accommodation for the Taluk Estab-
lishment has been much cur-
tailed by making room for the
Submagistrates clerks and by the
occupation of the Court hall

Lgl 6479/96

by the Stationery Sub-magistrate
and the consequent removal of the
Sahildar's seat to one of the rooms
formerly occupied by his Estab-
lishment. The Deputy Collector
Ellore Division remarks that a
separate building for the Sub-
Magistrates Court and office
is required to prevent overcrowding
in the Taluk office in the interests
of the Public work and that there
is ample space in the Compound.

The Executive Engineer Western
Division who has been consulted
states that no additions can be
made to the present building
sufficient to accommodate

the Stationery Sub-magistrate
permanently. Pending the construction
of a separate building some petty
alterations and repairs have been
sanctioned at a cost of Rs. 160 and are
being carried out by the Executive
Engineer. I have therefore the honour
to request that you will be good
enough to obtain the sanction of
Government for the construction
of a separate building in the present
Taluk office building Compound
for the use of the Stationery Sub-
Magistrate and his Establishment.
A site plan prepared by the Executive
Engineer is enclosed for reference and
return.

I have the honour to be,
Sir,
Your most obedient servant,
(Sd) G. W. E. Munnick
Deputy Collector
Ellore Division
