Gentlemen,

I have the honor to inform you that I am sending by passenger's train to your address samples of the cloths woven in the various Government depots of this district and request that you will be good enough to inform me whether it is probable that any market could be found for them in Madras and in the Southern districts and the price at which each could probably be sold in wholesale lots of not less than 1000 pairs.

READ..... The following letter from the Collector of Ganjam, G. B. No. $\frac{192}{7}$ dated 30th August 1897.

I have the honor to forward for the information of the Board, copy of letter that I have addressed to Messrs Binny and Co. Madras and request that my action may be approved.

2. It is very desirable that a sale for these cloths should be found if possible in other markets than those of this district, otherwise the latter will be flooded and weavers will probably find it difficult to obtain regular work for a long time after the famine has ceased.

3. I am now closing the depots

at Ichicacole and Narasannapeta where they do not appear to be any longer really needed, while that at Palasa will also shortly be closed, the needy meenars being transferred if they wish to the Jellakali depot.

Resolution

The Collector's action is approved. The sale price of the cloths should be determined with reference to Board's Proceedings No. 7460 mii dated 11th September 1897.
