J. Andrew ESQUIRE,
A9, Collector & District Magistrate,
TANJORE.

To
The Secretary to Government,
Revenue Department,
MADRAS.

SIR,
In reply to a telegram from Government,
dated 21st April 1897, enquiring if Mr R. S.
T. N. Sivalanatham Pillai avasak cannot be
put in charge of Pattukkottai Division, Mr
Ayling, wired that he could not then be
disturbed from House Tax Division work
in the Kumbakonam Municipality, and
requested orders whether Mr. Dadachanji
might be placed in charge of the Division
temporarily; and Government expressed in
its telegram of the 26th idem that it had no
objection to the proposed arrangement. Mr.
Dadachanji was accordingly placed in
charge of the Division, and still continues

to

to be so.

2. Now that M.Ry. T. N. Sivalnanam Pillai avaral is expected to finish his special duty in Kumbakonam by the 3rd week of this month, I beg to recommend that he might be posted to the Pattukkottai Division. I have nominated him in my letter Refor Curd^o 2694^{ver} of 1896, dated 30th July 1897, to the Board of Revenue (Land Revenue), (vide Copy enclosed), to work in conjunction with the Assistant Engineer to be named by the Chief Engineer in connection with the record of irrigation rights in this District. (Government Order No 512 Revenue, dated 30th June 1897) but I learn from Lieut. Colonel Smart that an Assistant Engineer may not be available for some time to come owing to Famine Exigencies.

3. Further, the Treasury Deputy Collector has to go out to make a technical Examination of the Sub Treasuries in the District, and I propose to put Mr. Dadaachanji —

which M.Ry. T. N. Sivalnanam Pillai avaral has not in charge of the District Treasury during the Deputy Collector's absence. As the Pattukkottai Division charge requires a separate officer to look after it, I have the honour to request that M.Ry. T. N. Sivalnanam Pillai avaral may be appointed to act as Head Quarter Deputy Collector temporarily while Mr. Dadaachanji is in charge of the Treasury, which will only be for about 3 weeks from date of completion of the special duty in connection with Kumbakonam House Tax Revision which will be over about the 21st Instant. He would thus be free for the special irrigation work by the 15th or 20th October.

4. Lieut. Colonel Smart is anxious that this special work should not be delayed, and we agree that if there is any delay in sending an Assistant Engineer, M.Ry. T. N. Sivalnanam Pillai avaral might to some time - Commence Collecting information, receiving petitions, and so on

and then have everything ready in shape for discussion and formal record of claims and the like by the time the Assistant Engineer is available.

5. Since the appointment of Mr. P. Rajaratna Mudaliar as a Presidency Magistrate in January last, there has been no Head Quarter Deputy Collector in this District. It may be urged that Mr. Dadaachanji could look after the Pattukkottai Division while in charge of the Treasury, but I do not at all think that this would answer. It is a very heavy Treasury, and he could not cope with the double work without serious risks. The work in Tanjore also is such that the Divisional Officer should be free to go into Camp at any time. Added to this, Mr. Dadaachanji has not yet passed his Lower Standard and it would be hard to saddle him with such an enormous amount of work. I think him not a

moment for study. I would not like him to be over pressed with work while in charge of the Treasury, and subject to the risk of passing hasty orders for payment etc.

I have the honour to be,

Sir,

Your most obedient servant.

(2) HIS EXCELLENCY THE GOVERNOR.

~~THE HON'BLE SIR HENRY BLISS, K.C.I.E.~~

(1) THE HON'BLE MR. GROSE, C.I.E.

FOR ORDERS.

The Collector of Tanjore states that the Treasury Dy Collector has to inspect the sub-treasuries in the district, that he proposes to place Mr. Dadachangi in charge of the treasury when the Treasury Dy Collector is employed on inspection work and that a Dy Collector should be appointed for the charge of the Head Quarter Division as Mr. Dadachangi who is now in charge of it could not cope with the double work without serious risks. He recommends that S. R. Sivasubramanian Pillai whose special duty in connexion with the Kumbakonam House tax revision will be completed about the 21 instant may be appointed to act as Head Quarter Dy Collector temporarily while Mr. Dadachangi is in charge of the treasury which will be for about three weeks.

2. In accordance with No. 512 Rev., the Collector has nominated for Sivagnanam Pillai to work in conjunction with the Assistant Engineer to be named by the Chief Engineer in connexion with the record of irrigation rights in the district. He considers that Sivagnanam Pillai's appointment now for the change of the Headquarter Division will not interfere with this special work as it would appear that an Assistant Engineer ~~might~~ ^{may} not be available for sometime to come owing to famine exigencies, that Sivagnanam Pillai would be free for the special work by the 15th or 20th October, and that should there be any delay in sending an Asstt Engineer, Sivagnanam Pillai "might to save delay commence collecting information receiving petitions & soon and then have everything ready in shape for discussion and for record of claims & the like by the time the Asstt Engineer is available."

3. It is submitted that there is no objection to the Collector's proposals being approved.
