Proceedings of the Board of Revenue (Land Revenue)
NO. 5078 Misc. dated 17th August 1897.

Read the following papers.

(1). Letter from H.A. Stuart Esq., Ag. Collector of Bellary to the Secretary to the Commissioners of Land Revenue Madras Ref. on G & B NO 1491, dated 23rd July 1897; and the following reference thereon dated 29th July 1897.

The Collector is requested to report the pay of the copyist whose services he proposes to dispense with after the type writing machine has been supplied and whether the copyist is a permanent hand or one paid only from fees.

(2). Also the following letter from the same officer Ref. on G & B. NO. 1491 dated 8th August 1897.

In reply to Board's Reference on General Register - NO. 3612 of 97 dated 29th ultimo, I have the honor to state that - there are no copyists paid from fees attached to this office, and - the fair copying work is done by the English and Vernacular clerks on Rs. 15 each. I propose to dispense with the services of a clerk - on Rs. 15 of the permanent establishment, and appoint a type-writing clerk to one of the other appointments on Rs. 15, thus making a - pay of Rs. 30 available for him. In other words I propose to create a new appointment on Rs. 30 by abolishing 2 clerks on Rs. 15 each. - This arrangement will not cause any additional cost to the State. I do not think a good type-writing clerk can be had for less than Rs 30 per mensem.

(3). Also letter from A.E. Castle Stuart Esq., Collector of - South Arcot to the Secretary to the Commissioners of Land Revenue, Madras Ref. on Regr. NO. 212-Eng. dated 4th August 1897.

resolution.

The foregoing letters from the Collectors of Bellary and South Arcot will be submitted for the orders of Government. The Collector of South Arcot enquires whether the -

Board of their remarks upon this that
it is required is a financial saving
and not merely a reduction in the
number of hands and that the proposal
the collector to replace two hands on Rs 15
by a single type writing copyist
Rs 30 will not satisfy the rule

The collector of South Arcot enquires
whether reduction to be effected on the
introduction of type writing machines
to effect matters of the clerks employed
in copying, the existing copyists
being so called on the permanent
establishment of collector - or one clerk
to every three machines supplied,
and the Board informs him that the proposition
has been superseded by G.O.
no 2539 of 15 May 1897 and that all that is
necessary for a collector applying for a
type writing machine is to promise
some reduction of his copying establish-
ment to be effected within three months
after the date of supply of the machine

The collector is not further submits
that it is not possible to abolish
the appointment within three months
the receipt of a single typewriter
without prejudice to work and that
the receipt of one machine,
as would be taken to train others

clerk to the work and that as soon
sufficient number of clerks has no the
work more machines could be
for one that when three machines
been supplied, a reduction of one
hand could be proposed.

5. It will be seen that neither
the collector has complied with the
requirements laid down in the
quoted above and it is a question
whether this request for the supply
of a typewriter should be complied
with, and whether it should not be
called in question and not definite
proposals. The following
draft is suggested:

G.O. no 4993 of 23 Sept 97

The Board's presumption
that the saving required
by Govt. is a financial
saving and not merely
a reduction in the number
of hands, is correct.

2. The Govt. is not prepared
with the information before it,
to relax the rule in the case
of either of the offices referred to.

3. The Board's suggestion
in the concluding portion
of its para 3 of its

The Board will also
sider whether it is
advisable to declare
few appointments in
ch Collector's office, to
a copyist ~~disappoint~~ appoint
ents, so that, as exa-
mination rules do not
apply to them, collectors
may have a wider
field of selection ~~for~~ and be able to secure
the services of really good
hands.
