From

J. C. Harrison Esq.

ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Secretary to Government,
Revenue Department.

SIR,

In reply to paragraph 2 of Government Order No. 4179, of 10th August '97, I have the honour to state that the grading of Superintendents and Assistant Superintendents of Customs with Assistant and Sub Inspectors of Salt & Abkari Revenue need not necessarily result in the charge being transferred from the head 'Customs' to 'Salt'.

The simplest plan and one which would avoid the necessity for a reference to the Government of India would be to debit the pay of officers of any grade who may be appointed as Superintendent of Customs to the head 'Salt Cash Remittances'. In such a case the vouchers will, in the usual course, be submitted

submitted by disbursing officers to the Board of Revenue (Separate Revenue) and adjusted to the debit of 'Customs' in the consolidated monthly accounts which the Board sends to me.

3 If, however, the charges are required to be debited to the head 'Salt' (like those of other Sub and Assistant Inspectors) the excess cost to Imperial will have to be adjusted by this office annually through the Land Revenue Head with the sanction of the Government of India - as provided for in Articles 1364 A, 1365 and 1367 of the Civil Account Code. I am not, however, in favour of this plan which would be further objectionable on the ground that it would result in the division of a charge between two heads i.e. the inspecting staff would be debited under 'Salt' whilst the debit of clerks and servants would be under 'Customs'. This course would be opposed to Article 283 (10) of the Civil Account Code.

I have the honour to be,
Your most obed^t servant,

W. Harris
Offg. Accountant General.

G.O. No 5004 of 23 Sept 97

It is not improbable that, ~~that~~ in some months ~~and~~ in some years, the aggregate pay of the Asst Insps + sub-insps actually deputed to do Customs work may exceed the total sanctioned cost of grading the Supts + Asst Supts with those officers. With reference to the remarks contained in para 2 of his letter read above, the A.G. is requested to state how in such cases, the ^{excess} actual expenditure is to be adjusted.
