Adoni Dr. Deputy Collector's office

Camp: Adoni

8/5-1-97.

From Subby S. Ramu Iyer avergal
Deputy Collector, Adoni Dr.

To The Collector of Bellary.

Sir, I have the honor to submit
the following proposals for the
efficient management of the
weaver relief operations and
for such other measures as
may

may be found necessary for the relief of the distressed in the Adoni Town.

2. The Stationary Sub-Magistrate of Adoni is now in charge of the weaver relief operations at Adoni, but it has been found by experience that he could not properly attend to these duties without some prejudice to his ordinary duties as Sub Magistrate. I consider it is high time to relieve him altogether of his ordinary work. Now that experiments in weaving with a view to exactly fix the tasks in respect of several kinds of cloths and to ascertain the details of the various minor processes connected with weaving, have been undertaken, his entire attention has

has to be devoted to the Sub-Magistrate, the extension of the scheme to Kosiya has already been sanctioned and it will have to be introduced before long and his presence will also be required when the scheme is extended to Zammigam, which I think will have to be constituted as a centre for the relief of the weavers of Zammigam, Jodikallu, Nagaladinni and Sandanur. Questions every now and then crop up in connection with these weaving operations, which the parganahs cannot be expected to solve and which require a responsible officer of a Deputy Subordinate's standing to deal with.

3. Further, you are aware that I

I am much hampered by the
Municipal work and it occurs
to me that by getting Mr. R.
R. Vankobacharlu into the
Council as an official member
and delegating to him some
of my powers, I may obtain
considerable relief. This is
all the more necessary, since
I understand that a special
Deputy Collector is not to be
appointed solely for this Division
to relieve me of my ordinary
duties.

So I, therefore, propose that
Mr. R. Vankobacharlu be
appointed to be Special officer
in charge of the means relief
operations on a pay of Rs 120
which is that of first grade
Deputy Tahsildar together
with a travelling allowance
at

at the rate prescribed in
the Civil Service Regulations.
I understand that but for
his having been put in
charge of these operations
he would have been appointed
to act as Deputy Tahsildar
and Sub Magistrate of Bellary
Town on Rs 120, so that he is
virtually a loser at present.
He has thrown his heart and
soul into this work and has
ably assisted me in organizing
and administering this novel
form of relief and having
regard to thousands of people
that are being laid out
every month on these operations
I would not in the least
grudge this pay to him. That
he should get travelling al-
lowance is only reasonable.

"I also recommended that the special officers be allowed a clerk on Rs 20 and a peon on Rs 6.

I have &c

Submitted for the orders of the Board of Revenue.

2. Mr B. Ramu Dey is an elected Chairman but there is no one in this Council fit either to take his place or do his work.

3. There is no doubt that the services of a special officer are required for the efficient conduct of revenue relief operations. These operations are now confined to Adoni Town but a scheme for

for extending them to Ramu has been already submitted for the Board's approval and further extension may be necessary not only in the places in Adoni Taluk mentioned by the Divisional officer but also in other Taluks. It will be a great advantage if a single officer who can personally attend to all details of the scheme can supervise the relief at all these places, and his appointment will certainly result in economy and uniformity in the enforcement of task. I, therefore, strongly support the Deputy Collector's application for the services of an additional Deputy Tahsildar. Mr B. Bhukobachin, the Stationary Sub Magistrate of

of Adoni has hitherto been
in charge of the means relief
operations and is the best
officer for the place. His present
pay is Rs 100 and as stated
by the Divisional officer he
has missed the chance of
being appointed Town Sub-
Magistrate Bellary on Rs 120
because he was required
at Adoni. I will not press
for an increase of his pay
but as he will be required
to travel over more than one
Taluk, he should be granted
the travelling allowance of a
Tahsildar and allowed
a clerk on Rs 20 and a peon
on Rs 6.

for Collector.

Resolutions

Submitted for the order
of

of Government, with the
Board's recommendations
that a Special officer on
travelling allowance
Rs 120 and ~~Special Assistance~~
of rank, may be appointed
for the Bellary district to
superintend details of the
relief of means therein. For the
reasons stated by the Collector,
it appears advantageous that
a Special officer should be
appointed for this work rather
than that an additional Deputy
Tahsildar should be appointed
at Adoni.

2. If this appointment is sanc-
tioned, the retainerment
mentioned by the Collector
may be allowed.
