The pethra state as follows

Owing to want of rain at proper season the pethra or both wet & dry failed this year. The Colls made enquiries about the state of famine in their district and, judging as he did, from the way the crops grew on the sides of the Krishna channel, concluded that the famine was not severe in the district, and ordered the collection of the usual Kish. The pethra submit Kishiyots in the district especially in the taluka of Pule-vandla, Tamulmadugut Prodda. They have to depend entirely on dry crops. They are struggling hard even for their daily bread & the Revenue officials attach what little property the poor people have for nonpayment of Kish. Under the circumstances the pethra pray that orders may issue not to enforce payment of Kish this year.
