(Forests), SIR,

I am directed to acknowledge the receipt of your letter No. 2090 A., dated the 26th April last, in which the Madras Government suggest that the present concession under which Forest Guards in the Madras Presidency are entitled to travelling allowance at the rate of $\frac{1}{4}$ to $\frac{2}{8}$ per diem when travelling within their beats should be withdrawn; and that, as a set off, they should draw a special daily travelling allowance of 4 annas when travelling beyond their beats or on transfer.

2. In reply I am to say that the Government of India agree with the Madras Government as to the advisability of withdrawing the concession under which Forest Guards in Madras are entitled to travelling allowance when travelling within their beats. It is not in force in any other province of India and in practice the allowance is seldom claimed. They regret however that they are unable to approve of the proposal to grant a special rate of 4 annas per diem to Forest Guards in Madras when they travel beyond their beats or on transfer. Such a rate of daily travelling allowance would place these officials in a much more favourable position in Madras than in any

other province, except in tracts where, for special reasons, the general rates of travelling allowance have been increased under article 1252 of the Civil Service Regulations. The travelling allowance generally permissible under article 1167 (iv) has already been raised by one-third under the provisions of article 1168(a) in the case of Forest Guards, and the Government of India see no sufficient reason to make a further special concession in their favour when employed in the Madras Presidency.

3. Under these circumstances, I am to request that the Government of India may be favoured with a further expression of the views of the Madras Government in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

Proceedings of the Board of Revenue (Land Revenue)

Forest NO 399 Misc, dated 7th September 1897

Read endorsement of the Acting Assistant Secretary to Government, Revenue Department, dated 30th July 1897, NO 3757 H.S., referring to the Board for its advice.
Letter from the Secretary to the Government of India, Department of Revenue and Agriculture, dated Simla on 13th July 1897, NO 667-F/165-2.

Reference thereon dated 27th July 1897.

Read letter from the Conservator of Forests, Central Circle, dated 5th August 1897, NO 274 stating that as the pay of Forest Guards has been generally raised, the Travelling allowance permissible under articles 1167(IV) and 1168(1) is sufficient.

Read letter from the Conservator of Forests, Southern Circle, dated 10th August 1897, NO 544 expressing his views that Forest Guards may be allowed daily allowance at 2 annas per diem when on duty outside their limits and an increased rate for special trips.

Read also letter from the Conservator of Forests, Northern Circle, dated 19th August 1897, R.C. NO 297 submitting to the Board his report on the subject of travelling allowances to Forest Guards called for in Board's Reference on Forest NO 3137 of 27th July 1897.

Resolution.

The Board has consulted Conservators on the above reference from Government and submits the following reply.

2 On reconsideration, the Board does not desire to press its recommendation for the grant of a special rate of daily travelling allowance to Forest Guards for journeys beyond their

jurisdictions or on transfer. These grants will accordingly cover for these journeys the travelling allowance permissible under articles 1167 (IV) and 1168 (a) of the Civil Service Regulations subject to the increased rates provided for the special cases mentioned in articles 1252 and 1259.
