Memo for Mr. Narasimha

The Muchilika and
the paper in which the
peishcash was originally
fixed are put up. A lot
of papers were looked
up to see how the
wet lands were treated,
— as single crop or double
crop. The papers con-
- nected with the fixing
of the peishcash do not
throw light on the
point. The Muchilika
contains a clause
which provides for the
levy of water rate for
a second crop raised
on single crop land. This
might lead to the con-
- clusions that there
are single crop lands.
Whether there are
double crop lands also
is not apparent.
