Resolution.

Submitted to Government for orders.

2 In its order No 4976 Misc,dated 5th December 1896,Government approved of the proposal of the Mysore Durbar that its Forest Department should collect and hold in deposit the minor - produce in the tract then under dispute between Mysore and the Nilgiris.This dispute having now been settled,Government in its ~~prior~~ order No 466,dated 17th ~~January~~ June 1897,requested the Collector of Nilgiris to ascertain and report the approximate value of the produce so collected.It would appear that 134 mds of gallnut worth Rs.81-7-2 were collected but it is reported that the actual profit realised after deducting working expenses was only Rs.21-1-8 The Conservator of Forests in Mysore considers that this amount

is so small that it is hardly worthwhile dividing it between the two Governments. The Collector of Nilgiris requests that the Madras Government may be moved to waive its claim for a share in the net profit and the Board supports the proposal.

3 The Collector's letters should have been submitted through the Conservator, Southern Circle. The Board referred the first letter to Mr. Hooper, who intimated his agreement with the Collector. The Board does not wish to delay the disposal of this simple matter by making a further reference on the 2nd letter; and accordingly submits the papers to Government.
