Proceedings of the Board of Revenue (Land Revenue)

Forest No 948 Misc, dated 20th September 1897

Read Government Order, Revenue Department, dated 20-7-1897 No. 3747 Misc, referring to the Board of Revenue for report letter from the Presidency Port Officer requesting that arrangements may be made for the temporary acquisition of certain forest lands for purposes of a lighthouse.

The following reference thereon dated 26-7-97.
Referred to the Collector of Godavari for early report.

The following
Read also letter from the Collector of Godavari, dated 9th September 1897, Dis. No 439, to the Secretary to the Commissioners of Land Revenue, Madras.

In returning herewith the enclosures received with the Board's reference on Forest No. 2167 of 1897, dated 26-7-1897, I have the honor to state that I am of opinion that the ground on which the lighthouse and out-buildings stand may be excluded temporarily from the Reserve as suggested by Government.

2 This course was already suggested to the Port Officer in para 3 of my District Forest Officer's No. 2167/15-5-97 Forwarded with the Board's Proceedings under reference.

Resolution.

The Collector's letter read above will be submitted to Government with reference to its order No. 3747 Mis, dated 20th July 1897.

2 At his inspection of the Mandikuppa proposed Reserve, the District Forest Officer, Godavari, discovered that a lighthouse and out-buildings had been erected inside Reserve, the settle

Officer brought the matter to the notice of the Presidency Port Officer Madras, who made a reference to Government on the subject. In its Order quoted above, the Government enquired ~~whether~~ whether the ground on which the lighthouse and ~~the~~ ^{out} ~~the~~ buildings stand might be excluded temporarily from the Reserve, the necessary right of way being accorded by -- Departmental Order. The Collector accepts the above suggestion and the Board supports him.

3 It is observed that the papers relating to the settlement of the block in question were returned to the Collector with B.P.F. No. 108 Mis, dated 2nd February 1897. The Board ventures to direct the Collector in anticipation of the orders of Government to exclude the area in question and to grant the necessary rights of access.
