JUNE.

Submitting to Government, for approval and publication in the Fort St. George Gazette, draft notification under section 16 of the Madras Forest Act for the constitution of the Duttalur block, in the Udaiyagiri taluk, Nellore district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from W. S. MEYER, Esq., Acting Collector of Nellore, to the Secretary to the Board of Revenue, Land Revenue (through the Conservator of Forests, Central Circle), dated 16th December 1896, No. 1229-For:—

In forwarding a copy of the Forest Settlement-officer's letter, No. 136, dated 4th December 1896, reporting the completion of the settlement of the Duttalur block, Udaiyagiri taluk, I have the honour to request that Government may be moved to publish the draft notification under section 16 of the Forest Act in the *Fort St. George Gazette*.

2. I suggest the 1st March next as the date from which the reservation should take effect.

3. Draft notification, claim register, sketch-map and area statement are enclosed.

ENCLOSURE No. 1.

From E. A. SMITH, Esq, Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Nellore (through the District Forest-officer, Nellore), dated 4th December 1896, No. 136.

I have the honour to report the conclusion of the settlement of the proposed Duttalur reserve in the Udaiyagiri taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 16th July 1895, and the proclamation under section 6 of the Act was published in the District Gazette of 2nd November 1895, and the time allowed for the presentation of claims expired on the 2nd February 1896.

3. The reserve was inspected, perambulated and enquired into by me in April, May and August 1896, and 28 claims were preferred for the following rights:—

- (1) Two claims to exclude the two district board roads passing through the reserve.
- (2) Three claims to exclude certain gravel and metal quarries.
- (3) Five claims to Government patta lands.
- (4) One claim by the shrotriendard of Nagarazupad to right to collect firewood and thorns from 120 acres of survey No. 428 of Chinnamachanur village.
- (5) Eleven claims to rights of way.
- (6) Five claims to the use of the water of certain kuntas included in the reserve.
- (7) One petition requesting to exclude a portion of the reserve.

The claims to the two district board roads were admitted, and the roads have been excluded from reservation to a width of 22 yards from the centre on either side. Of the three claims to exclude certain quarries, one quarry has been excluded from reservation, while, in the other cases, the space allowed on both sides of the roads was considered sufficient for all purposes. Of the five claims to Government patta fields, three claims were admitted, while the remaining two were rejected, as the fields lie outside the reserve. Of the three claims admitted, the fields in two cases have been excluded by an alteration of the boundary, and, in the remaining case, the patta field has been acquired under the Land Acquisition Act on payment of money compensation. The

claim by the shrotriendard of Nagarazupad to a right to collect firewood and thorns from 120 acres of survey No. 428 of Chinnamachanur-Peddachanur was rejected, as the right claimed by the shrotriendard was only a privilege granted to him. This portion has, however, been, at the request of the District Forest-officer, excluded from the reserve by an alteration of the boundary of the reserve. Of the eleven claims to rights of way involved in item No. 5, four were admitted, while the remaining seven claims were rejected as unnecessary. The claims to the use of water of certain kuntas by men and cattle involved in item No. 6 was rejected. The petition of the ryots of Duttalur requesting to exclude a portion of the reserve was also rejected, as the ryots make no claim and the village accounts show that there are still 4,445 acres or 55 per cent. of the occupied area excluding porambokes available for extension of cultivation and for ryots' communal purposes. The District Forest-officer has, however, made certain alterations in the eastern boundary of the reserve for the purpose of straightening the boundary and with a view to exclude land fit for cultivation.

4. The reserve is thus free of all rights except those stated above.

5. The following are submitted herewith:—

- (i) A signed copy of B. register of claims.
- (ii) The draft notification under section 16.
- (iii) The sketch-map of the reserve.

6. The date from which reservation is to take effect has to be inserted in the draft notification.

9	Chelama Naidu of Chinnamachanur - Peddamachanur.	27th April 1896. SMITH, Forest Sett.-officer. 21st May 1896.
10	P. Venkataramaya Aiyar and Venkata Narasiah, shrotriamdars of Nagarazupad.	5th May 1896.	Claim right to collect firewood and thorns from 120 acres of survey No. 428 in Chinnamachanur-Peddachanur village set apart for their machanur rights to the ryots of Government villages to the Duttalur reserved forest.	Filed one exhibit and examined two witnesses in support of the claim who say that the ryots of Nagarazupad have similar rights to the ryots of Government villages to the Duttalur reserved forest.	Objects to the claim on the ground that what the claimants were allowed was the exercise of a privilege similar to those enjoyed by Government villages and that the object of demarcating a separate piece of land for this purpose was to prevent any friction between Government and shrotriam village ryots. Filed VI exhibits in support of the defence.	It is clear from the records filed and from the evidence of the two witnesses examined that what was granted to the shrotriamdars was only a privilege to cut thorns and fuel such as was excused by Government ryots. In the case of Government ryots, such rights are revocable by Government at pleasure and cease when the land is assigned away on patta or when it is taken away for public purposes; so must it be with shrotriam ryots also. The claim is therefore rejected. (Signed) E. A. SMITH, Forest Sett.-officer. 21st May 1896.
11	P. Venkataramaya and Venkatarasayya, shrotriamdars of Nagarazupad.	11th May 1896.	Claim right of way for men and cattle over a path through survey No. 428 of Chinnamachanur-Peddachanur from Nagarazupad to Neralla vagu outside the reserve.	Withdraws claim if claim to take firewood and thorns is rejected.	The District Forest-officer objects to the claim.	The claim to a right to cut firewood in 120 acres of survey No. 428 having been rejected (vide claim No. 10-26), this claim is also rejected as unnecessary. If the shrotriamdars want to water their cattle in the vagu in question, they can do so without passing through the reserve. (Signed) E. A. SMITH, Forest Sett.-officer. 25th August 1896.
12	P. Venkataramaya and Venkatarasayya, shrotriamdars of Nagarazupad.	Do.	Claim right of way over the cart-track through survey No. 428 of Chinnamachanur from Nagarazupad to Chinnamachanur - Peddamachanur.	Do. do.	The District Forest-officer says that the path passes outside the reserve.	Claim rejected as unnecessary, as there is a more direct cart-track outside the reserve. (Signed) E. A. SMITH, Forest Sett.-officer. 28th August 1896.
13	Gorinda Hanumantha Rao and others of Somalaregida.	5th May 1896.	Claim right of way over the cart-track from Somalaregida to Lakshimipuram.	This enters reserve about twenty-one chains south of the junction of Duttalur, Somalaregida and Mundallanayuni.	Admits the cart-track to a width of four yards.	Admitted as a cart-track to a width of four yards. (Signed) E. A. SMITH, Forest Sett.-officer. 3rd September 1896.

B. Register of claims to Lands, rights to Forest produce or easements in the proposed Duttalur reserved forest, &c.—cont.

No.	Names of claimants.	Date of presentation of claims.	Nature and extent of claims preferred.	Brief summary of the evidence adduced in support of claims.	Brief summary of the District Forest-officer's argument and evidence produced by him.	Brief abstract of decision and final disposal of claims by the Forest Settlement-officer.
1		3	4	5	6	7
14	Govinda Hanumantha Rao and others of Somalaregada.	5th May 1896.	Claim right to the use by men and cattle of the water of Budu Subbiah kunta, situated by the side of the cart-track from Somalaregada to Lakshimpuram.		Objects to the claim, as the claimants, who are zemindari ryots, can have no claim to the kunta in the absence of a right to free grazing.	Claim rejected for the reasons stated by the District Forest-officer. (Signed) E. A. SMITH, Forest Sett.-officer.
15	Govinda Hanumantha Rao and others of Somalaregada.	Do.	Claim public right of way over the cart-track from Somalaregada to Mandallanyanipalle.	The cart-track passes outside the reserve.	The District Forest-officer has no remarks to offer.	3rd September 1896. Claim rejected as unnecessary. (Signed) E. A. SMITH, Forest Sett.-officer.
16	Govinda Hanumantha Rao and others of Somalaregada.	Do.	Claim public right of way over the foot-path from Somalaregada to Mundallanyanipalle.	The foot-path does not pass through the reserve.	Do.	3rd September 1896. Claim rejected as unnecessary, as the foot-path passes outside the reserve. (Signed) E. A. SMITH, Forest Sett.-officer.
17	Govinda Hanumantha Rao and others of Somalaregada.	Do.	Claim right of way over the cart-track from Somalaregada to Govilavani kunta outside the reserve.		The District Forest-officer considers the claim as unnecessary, as the Duttalur-Bhata road will answer the purpose.	3rd September 1896. Claim rejected as unnecessary, as the Duttalur-Bhata road referred to by the District Forest-officer is the shortest and best route. (Signed) E. A. SMITH, Forest Sett.-officer.
18	Govinda Hanumantha Rao and others of Somalaregada.	Do.	Claim public right of way over the cart-track from Somalaregada to Chinna-machanur-Peddama-chanur.	This enters the reserve about three and half chains east of the junction of Papampalle, Somalaregada and Duttalur, running in a southerly direction for about one mile one furlong, leaves it about twenty-four chains north-west of south-west corner of survey No. 2,052 of Duttalur.	Has no objection to the admission of the cart-track to a width of four yards.	3rd September 1896. Admitted as a cart-track to a width of four yards. (Signed) E. A. SMITH, Forest Sett.-officer.
19	Govinda Hanumantha Rao and others of Somalaregada.	Do.	Claim right to the use by men and cattle of the water of Chenchu kunta, situated on the west of the cart-track from Somalaregada to Chinna-machanur-Peddama-chanur.		The District Forest-officer objects on the ground that, in the absence of a right to free grazing, the claim should be rejected.	Claim rejected as in the absence of a right to free grazing, there can be no right to the use of the water. Besides the ryots of a zemindari village can have no right to the water of a kunta on Government land. (Signed) E. A. SMITH, Forest Sett.-officer.
20	Govinda Hanumantha Rao and others of Somalaregada.	Do.	Claim right to the use by men and cattle of the water of Chenchu kunta, situated to the south of the Kalgiri-Udayagiri road.	The kunta was inspected by me in company with the District Forest-officer. It is in ruins and has been so probably for some years. It consists of a bund by the side of the vagu which probably extended across it.	The District Forest-officer objects and says that, in the absence of a right to graze, the claim should be rejected.	3rd September 1896. The kunta is situated on Government land and the ryots of a zemindari village can have no claim whatever to it. In the absence of a right to free grazing, there can be no right to the water of the kunta. The claim is therefore rejected. (Signed) E. A. SMITH, Forest Sett.-officer.

The District Forest-officer says that, in the absence of a right to free grazing, the claim should be rejected.	The kunta is situated within the limits of Duttalur, a Government village, and the ryots of Papampalli, a shrotriya village, can have no right whatever to it. The draft final notification, received with the letter read above, will be submitted to Government for approval and publication in the *Fort St. George Gazette*, the 31st of August next being recommended as the date from which reservation shall take effect.

2. It is noted that certain exclusions have been made in the eastern and southern portions of the reserve with a view to straighten the boundary and to make provision for the requirements of the adjoining villagers.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 224, dated 5th June 1897 :—

Read—the following letter from W. S. MEYER, Esq., Acting Collector of Nellore, to the Secretary to the Board of Revenue, Land Revenue (through the Conservator of Forests, Central Circle), dated 16th December 1896, No. 1229-For. :—

In forwarding a copy of the Forest Settlement-officer's letter, No. 136, dated 4th December 1896, reporting the completion of the settlement of the Duttalur block, Udaiyagiri taluk, I have the honour to request that Government may be moved to publish the draft notification under section 16 of the Forest Act in the *Fort St. George Gazette*.

2. I suggest the 1st March next as the date from which the reservation should take effect.

3. Draft notification, claim register, sketch-map and area statement are enclosed.

ENCLOSURE No. I.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Nellore (through the District Forest-officer, Nellore), dated 4th December 1896, No. 136.

I have the honour to report the conclusion of the settlement of the proposed Duttalur reserve in the Udaiyagiri taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 16th July 1895, and the proclamation under section 6 of the Act was published in the District Gazette of 2nd November 1895, and the time allowed for the presentation of claims expired on the 2nd February 1896.

3. The reserve was inspected, perambulated and enquired into by me in April, May and August 1896, and 28 claims were preferred for the following rights :—

- (1) Two claims to exclude the two district board roads passing through the reserve.
- (2) Three claims to exclude certain gravel and metal quarries.
- (3) Five claims to Government patta lands.
- (4) One claim by the shrotriendard of Nagarazupad to right to collect firewood and thorns from 120 acres of survey No. 428 of Chinnamachanur village.
- (5) Eleven claims to rights of way.
- (6) Five claims to the use of the water of certain kuntas included in the reserve.
- (7) One petition requesting to exclude a portion of the reserve.

The claims to the two district board roads were admitted, and the roads have been excluded from reservation to a width of 22 yards from the centre on either side. Of the three claims to exclude certain quarries, one quarry has been excluded from reservation, while, in the other cases, the space allowed on both sides of the roads was considered sufficient for all purposes. Of the five claims to Government patta fields, three claims were admitted, while the remaining two were rejected, as the fields lie outside the reserve. Of the three claims admitted, the fields in two cases have been excluded by an alteration of the boundary, and, in the remaining case, the patta field has been acquired under the Land Acquisition Act on payment of money compensation. The

claim by the shrotriendard of Nagarazupad to a right to collect firewood and thorns from 120 acres of survey No. 428 of Chinnamachanur-Peddachanur was rejected, as the right claimed by the shrotriendard was only a privilege granted to him. This portion has, however, been, at the request of the District Forest-officer, excluded from the reserve by an alteration of the boundary of the reserve. Of the eleven claims to rights of way involved in item No. 5, four were admitted, while the remaining seven claims were rejected as unnecessary. The claims to the use of water of certain kuntas by men and cattle involved in item No. 6 were rejected. The petition of the ryots of Duttalur requesting to exclude a portion of the reserve was also rejected, as the ryots make no claim and the village accounts show that there are still 4,445 acres or 55 per cent. of the occupied area excluding porambores available for extension of cultivation and for ryots' communal purposes. The District Forest-officer has, however, made certain alterations in the eastern boundary of the reserve for the purpose of straightening the boundary and with a view to exclude land fit for cultivation.

4. The reserve is thus free of all rights except those stated above.

5. The following are submitted herewith :—

- (i) A signed copy of B. register of claims.
- (ii) The draft notification under section 16.
- (iii) The sketch-map of the reserve.

6. The date from which reservation is to take effect has to be inserted in the draft notification.

17	Govinda Hanumantha Rao and others of Somalaregada.	Do.	Claim right of way over the cart-track from Somalaregada to Duttalur which is used by cattle going to Govilavani kunta outside the reserve. Claim right to the use by men and cattle of the water of Chenchu kunta, situated on the west of the cart-track from Somalaregada to Chinnaachanur-Peddamaachanur.		The District Forest-officer objects on the ground that, in the absence of a right to free grazing, the claim should be rejected.	Claim rejected as in the absence of a right to free grazing, there can be no right to the use of the water. Besides the ryots of a zemindari village can have no right to the water of a kunta on Government land. (Signed) E. A. SMITH, Forest Sett.-officer.
20	Govinda Hanumantha Rao and others of Somalaregada.	Do.	Claim right to the use by men and cattle of the water of Chenchu kunta, situated to the south of the Kalligiri-Udayagiri road.	The kunta was inspected by me in company with the District Forest-officer. It is in ruins and has been so probably for some years. It consists of a bund by the side of the vagu which probably extended across it.	The District Forest-officer objects and says that, in the absence of a right to graze, the claim should be rejected.	3rd September 1896. The kunta is situated on Government land and the ryots of a zemindari village can have no claim whatever to it. In the absence of a right to free grazing, there can be no right to the water of the kunta. The claim is therefore rejected. (Signed) E. A. SMITH, Forest Sett.-officer.
