## RESOLUTION.

It has been brought to the notice of the Government of India that Home Department Resolution No. <sup>22</sup>/<sub>637-653</sub>, dated the 16th March 1888, conveying orders on the subject of the pecuniary relations of Government officers with persons who are subject to their authority, makes no provision, such as is contained in section 6 of Regulation VII of 1823, for the case of pre-existing indebtedness on the part of Civil officers to individuals resident in districts to which they may be posted. The Governor General in Council considers such a provision desirable, and is accordingly pleased to direct that the following rule shall be added to the rules laid down in the Resolution quoted above:—

3. Any such officer, as is referred to in Rule 1, who is appointed or transferred to a post in which he will be in a position to exercise official influence or authority over any person to whom he is under any pecuniary obligation, or to a post with local jurisdiction within the limits of which any person to whom he is under any pecuniary obligation, resides, possesses property or carries on business, shall be bound to declare, without delay, the circumstance to the officer to whom he is immediately subordinate for report to the Government, and failing to do so shall be subject to the same penalty as if the obligation were incurred after his appointment or transfer.
