With reference to Government Order No. 435, dated 11th July 1895 (Board's Proceedings, Forest Mis. No. 1138, dated 9th August 1895), I have the honour to forward herewith, for approval and publication in the *Fort St. George Gazette*, draft notification, &c., under section 4 of the Madras Forest Act V of 1882 of Cowdalli (Kavadhalli) block in the Kollegal taluk.

2. I also enclose the certificate required by Board's Proceedings, Forest No. 296, dated 26th April 1893, countersigned by the District Forest-officer, Coimbatore (North).

3. Adequate areas are available outside the reserve for the extension of cultivation fuel and fodder supply, &c.

4. The area as calculated now, that a map has been prepared, is 51½ square miles.

The notification and map show the reserve as actually demarcated, but during settlement it may be found advantageous to exclude part of the southern portion with a view to excluding areas under cultivation.

As all these areas are unsurveyed, the information required in Board's Proceedings, Forest No. 459, dated 2nd October 1896, cannot be readily furnished. It will be easier to submit such a statement with the final notification, as the survey is likely to be undertaken shortly. The effect of this reservation is clearly explained in statement A submitted with this office, No. 4142, dated 9th April 1895, recorded in Board's Proceedings, Mis. No. 1138, dated 9th August 1895.

RESOLUTION—Forest No. 567, dated 12th December 1896.

The draft notification received with the letter read above will be submitted to Government for approval and publication in the *Fort St. George Gazette*.

2. It is observed that the proposed block, the selection of which was approved by Government in its order No. 435, Revenue, dated 11th July 1895, comprises within its limits the lands abandoned by the Cowdalli Gold Mining Co., and Arabigerai and Hossahalli lands marked out as a distinct enclosure, as also certain cultivable lands on the south scattered about in small pieces on the banks of the Uduthoraihulla. As the block has been demarcated, the Collector thinks that a portion of the south side of the block may, with advantage, be thrown out at settlement in view to exclude the cultivable areas. In these circumstances the Board approves of the Collector's proposal. The District Forest-officer should, however, be particularly instructed to move the Forest Settlement-officer for the necessary exclusion at settlement.
