Proceedings of the Board of Revenue
(Revenue Settlement, Land Records and Agriculture.)

Dated 2nd September 1897.

No. 714 L. 2ms.

READ

the following letter from the Collector
of Anantapur Ref. no. 23 dated 26th
August 1897.

I have the honor to report
that as owners of about 100 ^{loans} ~~loans~~ in the
Uravakonda District Division of the Gooty
Taluk have come forward to receive
advances of yarn & weavers relief
operations have been started at the
Uravakonda centre. As the Deputy Sah-
ildar of the Station is fully occupied
in his ordinary and famine inspection
duties, I beg to recommend the Gooty
Famine Deputy Collector's proposal
to place the Sub Registrar of that
Station in charge of the weaving
operations; I understand that a

Similar arrangement has been sometimes for Gaujam. The registration work must have considerably decreased on account of the distress. I hope the Inspector General will have no objection to the Sub. Registrar extra hours being spared to supervise the weavers' operations. To appoint a special deputy Tahsildar for this centre at this incipient stage is no doubt expensive and unnecessary. Nor do I think it advisable to make the Tadpatni Special deputy Tahsildar move so frequently to Uravakonda, as that course would cause work at Tadpatni to suffer while it does not really benefit the operations at Uravakonda. His travelling allowance and Railway fare would on the other hand be no inconsiderable item of expenditure. I request an early sanction for placing the Sub Registrar in charge of the weavers' depot at Uravakonda.

Resolution

though the case of

weavers is not referred to in the instructions issued in Government order dated 9th July 97 No. 549. Revenue, the Finance Commissioner considers that, in accordance with the spirit of the policy therein enunciated, the opening of weavers' relief depots requires the sanction of Government. Sanction is accordingly solicited for the opening of the depot at Uravakonda.

2. The Inspector General of Registration will be requested, to permit the Sub Registrar at Uravakonda being appointed to supervise the depot.

In the circumstances
 reported, the Collector's action
 in having opened ~~the~~ a depot
 for the relief of weavers at
 Utravakonda is approved.

29/9/97

Should add "but it
 should be closed as soon
 as possible"

29/9/97

I would suggest the phrase "as soon as circumstances
 permit". This leaves a little discretion

to the Collector, which I think he should have.

He knows our wishes, and will, I am sure,
 loyally carry them out.
