2 BOARD OF REVENUE (SEPARATE REVENUE), No. 356, 24TH AUGUST 1897.

PROCEEDINGS OF THE BOARD OF REVENUE
(SEPARATE REVENUE).

READ—letter from W. A. FOWLER, Esq., Deputy Commissioner of Salt, Abkari and Customs Department, Southern Division, to the Secretary to the Commissioner of Salt, Abkari and Separate Revenue, dated 2nd August 1897, No. 3644.

ABSTRACT.—Submitting report on the extension of the tree-tax system into the Talavadi firka and Kollegal taluk.

RESOLUTION—No. 356, dated 24th August 1897.

The Board begs leave to submit its proposals for the additional establishments required for working the tree-tax system sanctioned in G.O., No. 510, Revenue, dated 29th June 1897, to be introduced into (a) the Kollegal taluk and (b) the Talavadi firka of the Satyamangalam taluk of the Bhavani circle.

2. *Kollegal taluk.*—This taluk is at present patrolled by a Sub-Inspector with a party of one Petty officer and four peons working directly under the Sub-Inspector. The Assistant Commissioner proposes to divide it into three ranges, conterminous with the Revenue Inspector's firkas and to place each range under the charge of a Sub-Inspector with the usual orderly of three peons assisted by a party of one Petty officer and five peons each. The Deputy Commissioner, however, considers this extravagant and recommends the employment of only three Sub-Inspectors with an orderly of six peons each. Even this establishment will probably be a little too much, but, until experience actually proves it to be so, the Board recommends that it may be allowed as it is better to have an ample establishment when introducing a new system into a tract like this a great part of which consists of jungle and mountain.

3. *Talavadi firka of the Satyamangalam taluk.*—The Satyamangalam taluk is divided into four ranges and is supervised by the establishments detailed below:—

Range.	Establishments employed.			
	Sub-Inspector.	Orderly peons.	Party of	
			Petty Officer.	Peons.
Gopichettipalaiyam	1	3	1	5
Satyamangalam	1	6	1	5
Siruvallur	1	3	1	5
Pullampatti	1	3	1	5

The Talavadi firka is included in the limits of the present Satyamangalam range. The Deputy Commissioner reports that the Sub-Inspector of this range has very little tree-marking in that portion of his range which is outside the Talavadi firka and proposes therefore (i) to transfer that portion to the Sub-Inspector, Gopichettipalaiyam range, who, he considers can manage the additional area without difficulty, and (ii) to place the Satyamangalam Sub-Inspector exclusively in charge of the Talavadi firka and to give him an orderly of three peons and a party of one Petty officer and five peons. The Board approves of this proposal, but considers it better to give the Sub-Inspector an orderly of six peons instead of a party.

BOARD OF REVENUE (SEPARATE REVENUE), No. 356, 24TH AUGUST 1897. 3

4. The establishments now employed in the Kollegal taluk are, under G.O., Mis. No. 1835, Revenue, dated 12th May 1896, given a local allowance at the rate of Rs. 15 for the Sub-Inspector and Rs. 2 for each Petty officer or peon. The Board recommends that this concession may in future be given to the establishments now proposed to be employed in the Kollegal taluk and the Talavadi firka.

5. The Board takes the opportunity to apply for an increase of Rs. 5 to the pay of the second clerk, Bhavani circle, who at present draws Rs. 20, as he will have more work and more touring in consequence of the extension of the tree-tax system and as the tracts are unhealthy ones.

6. The net result of these proposals is an increase of Rs. 282 per mensem as shown below, which can be met from the provision made in the current year's budget:—

	RS.
(a) Addition of two Sub-Inspectors (on Rs. 60 and 50) ✓	= + 110
(b) Do. fourteen peons (2-5-7) ✓	= + 93
(c) Increase of pay to second clerk ✓	= + 5
(d) Reduction of cost, one Petty officer on Rs. 9 ✓	= - 9
(e) Local allowance—	
Four Sub-Inspectors at Rs. 15 each	= 60
Twenty-four peons at Rs. 2 each	= 48
	108
Deduct amount already sanctioned for one Sub-Inspector one Petty officer, and four peons	- 25
	= + 83
Total	+ 282

3 Kollegal S.D.S.
1 Talavadi

7. Two proposition statements in duplicate are enclosed.
8. A statement is appended showing the allocation of the establishment to be employed in future in the tracts dealt with in these Proceedings.
