SUBJECT.

Submitting for the sanction of
Government letter from the Secy
of Mysore requesting permission
to distribute from Government
depot such cloths as may be
necessary for decency's sake to a
large number of attendants at Government
kitchens and requesting the Secy
as each kitchen is closed.

If we could be sure that
the cloths given are all or
most of them be washed
to preserve decency I wd
be in favor, but I don't think
the distribution can be
allowed. Even when the
 famine fund gave cloths
at a time, we know that
the same woman appeared
3 or 4 times & got 3 or 4
cloths. In Mysore where
 gratuitous relief is
 given & in most
 places the same woman
 comes with her for
 several times.

READ. The following letter from the Collector of Ganjam. G. B. No. $\frac{211}{7}$ dated 8th September 1897:-

I have the honor to request permission to distribute from Government depots such cloths as may be necessary for decency's sake to all women in attendance at Government kitchens, and requiring the same, as each kitchen is closed.

2. I do not estimate that the numbers will be very large, and there are in almost every depot a certain number of cloths which have become slightly damaged by damp or other causes, the value of which is not very good and which sufficiently serve the purpose.
