By Board's Proceedings 4065 mis.
4th Sept. I was
directed to report

(1) whether the site of the Exercise yard of the old
European prison at Ootacamund with the walls
thereon was handed over to the volunteers;

(2) if so, under what authority;

(3) and by whom,

Government, having observed that by Government
Order 636 mis.
13th Feb. the transfer of the site alone
has been sanctioned

2. I have now the honour to report

(1) That the walls also were handed over.

(2) Under the authority of the Government Order
last quoted. It is true this transfers "the site," but
the collector's letter (82 of January 1896) correctly
represented the application as for the "yard," and he
was reporting upon a file of correspondence ending
in letter 2133 m.W.

Government's forwarding for the favourable
consideration of Government "an Application
from the Nilgiri Volunteer Rifles for a free
grant of the site of the Exercise yard and its
walls". It is thus, I would submit, clear
that if Government had intended to refuse
the Application in respect of the walls, the Govern-
ment Order would have explicitly said so.
Accordingly when the Collector was asked by
the Board (Reference 18th May) to report the
market value of the yard, he reported the value
of building as 4472 Rs and the value of
land as 330 Rs. (¹⁵⁶⁷_{30 June})
3. I regret the delay in replying to the
Board's Proceedings, but a variety of references
were required to the Board, the Commandant
and the Executive Engineer, and the last of
the replies were received in my Office only on
the 6th instant, when I was in the Wynad
forests.
