Orders

Submitted for orders in continuation of the C.E.'s note under Mr. Munro's communication about the relative positions of Rev. & P.W. officers in regard to relief works

12/22-59

The order with the C.E. refers is a good one, & I have no objection with the attention of Civil being called with, as he has found that it is disregarded in many instances.

Memorandum.

Dated, Ootacamund, 22nd May 1897.

There seems to be at present a certain amount of friction between the Revenue and P.W. Departments in the famine districts, and from D.Os. and other communications I have received from officers of this Department employed on famine, I have come to the conclusion that G.O. No. 962 Revenue dated 14th October 1891 has been ignored by the Collectors of famine districts. I therefore think it advisable that an order should issue calling their attention to it.
