The Collector of Madras.

Dated 21 September 1897

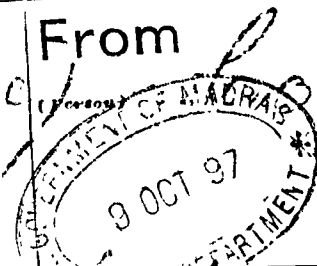

FOR ORDERS.

With the paper read above the Collector of Madras submits, with his support, an application from the Treasury Dy Collector & E. Srinivas Chari for one month's sick leave. The Accountant General observes that the Dy Collector returned to duty from 3 months privilege leave on the forenoon of the 14th September 97 and that should Government view in the circumstances of the case, that there is no deliberate or intentional evasion of the rule on his part in making this application for leave on Medical Certificate, within three months from the date of his return to duty he may be granted leave on Medical Certificate for one month on production of the Medical Board's Certificate. Dy Collector has since taken two months privilege leave from 1 June 97 & has a change of clerical

for the benefit of his health and then applied for extension for one month as he was then bedridden with fever. The Medical certificate now produced says that he is now suffering from malarial fever & that he has had fever for the last week or ten days. It may be presumed that he was not ill when he returned to duty i.e. on the 1st September.

2. Under Article 894 of the Civil Service Regulations, a gazetted officer must produce a certificate from a Medical Board unless the state of his health is certified by a Commissioner Medical Officer or by a Medical Officer in charge of a Civil Station to be such as to make it highly inconvenient for him to repair to the seat of post under which he is serving or to any other place where the local post may accept a certificate from any two Medical Officers. In exceptional cases a Medical certificate from the Civil Surgeon or Civil Medical Officer of the Station countersigned by the District Officer or by the Commissioner of the Division may be accepted. As the Collector says that the Collector is really ill & must be

retained at once the Certificate of the District Medical & Sanitary Officer. If not produced may be accepted if the post sees fit to do so.

3. The Collector says that none of the Special Duty Dy Collectors can be put in charge of the treasury in addition to their own work and that a substitute must therefore be appointed. He recommends one S. Rajaswami Aiyar as Subor of Madras but his name is not on the recommended list. There seems to be no need to appoint a substitute for a month. Mr J. F. Bryant, Assistant to the Collector may be put in charge of the treasury for a month. If this is thought undesirable Special Duty Dy Collector C. Antramanya Aiyar who is qualified for treasury charge may be sent to the treasury & Mr Bryant may be placed in charge of Antramanya Aiyar's division. The latter has put in nearly two years service & exercises first class Magisterial powers. Proposed under my order.

25/9/97

As Mr Bryant has been taken away it seems desirable that the District staff should be strengthened. Nagaswami Aiyar's name is not on the recommended list. Nor is there anyone in the district except the Police Inspector Mahomed Amrullah Sahib. The nearest man available in the recommended list is J. Neelha Aiyar B.A., Huzar Shrestha, Sinnerly. He is well spoken of by Mr Higgins. He is not qualified for treasury charge. He may be placed in charge of Subramanya Aiyar's division.
