The peti. was lately a temporary Forest guard in Kansa pur. The Forester and certain officers beat him and he complained of this to the 2d class Magt. The Forester thereupon out of spite sent false reports against the peti. to the Forest Ranger Malaiya Pillai who was a friend of the Forester and who at once complained against the peti. to the D. Forest Officer. The peti. sent in his resignation which however the Range did not forward to the D.F.O who ordered the dismissal of the peti. The complaint which the peti. preferred before the Magt. against the Forester & others ended in the conviction of the accused. The peti. therefore was dismissed on a charge of not having cleared the lines. The peti. presents a petition to the D.F.O. praying for an enquiry & was ordered to appear to higher authorities. The peti. accordingly appeals to the Conservator (with apparently an unfavourable result). No charges have been specified against the peti. & fair enquiries have not been held into the false charges against him. A Forest Guard who has been dismissed for not having cleared the lines has been restored on the Coll. having pointed out that Forest guards according to the rules need not keep the lines clear. Several other guards who have been dismissed ^{for a similar cause} are about to be restored by the D.F.O. The peti. therefore prays that he may either be restored or that his resignation may be accepted so that he may seek employment elsewhere.
