**Order** misc no 5284 dy 9 Oct 97

The Board of Rev: will be requested to submit an indent in quadriplicate, in the usual form, for transmission to the Secy of State and also to report why a forecast for the article required was not submitted as required in para 2 of G.O. no 620 Rev: dy 29th June 1897.

2. It is presumed that there has been no further correspondence between Messrs Simpson & Co & the Supt C.V.D in regard to the microscope ordered by Mr Harris but rejected as incomplete in August 1896.

**SUBJECT.**

Requesting Government, Revenue Department to order a microscope for the use of the Civil Veterinary Department

under the Board's instructions dated 14th inst. I presume however that if the deficiency were supplied the Supt C.V.D would be bound to take it or at all events pay for it. It is time it was required to pay back as Aug 1896. the B.P says nothing further has been heard regarding it. It

# Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 28th September 1897.

No. 7955 Mis:

Read again Board's Proceedings No. 1873 Mis: dated 16th April 1896.

Read again Board's Proceedings No. 4055 Mis: dated 18th August 1896.

Read also the following letter from the Superintendent, Civil Veterinary department, No. 873, dated 13th September 1897:—

In accordance with Board's

Regular No 57 61 D 0 of 189

Board's Proceedings No. 4253, dated 12th June 1897, I have the honour to furnish specifications of microscopes of two English firms from

(a) Messrs. Swift and Co.,

The new army Bacteriological microscope, price with an extra mechanical stage £ 20. Professor Crookshank's Bacteriological Microscope is £ 22-6 sh. Figures of these microscopes are enclosed.

(b) From Yager of Edinburgh

Two figures of English microscopes but with foreign objectives. Three figures of foreign stands with objectives of different makers. I enclose Yagers' estimates for the several microscopes and strongly recommend this advice being taken, which is furnished in the footnote of the paper enclosed. The freight and packing charges would be about £ 1-"-"

Resolution

The microscope ordered from Messrs. Swift and Sons by Veterinary Lieutenant Harris having been found

Rs. not inspected but incomplete. Vide S.P. m/P. 3418/2457 11/8/97

Inspected 10/8/97 the Board in

its Proceedings dated 18th August

August 1896, No. 4055, directed the Superintendent, Civil Veterinary Department, to decline to take delivery of it. It was accordingly left in the hands of the agent of Messrs Swift and Son, in Madras, and nothing further has been heard regarding it. The Superintendent has now obtained from Messrs Alexander Frazer, Jeviot Place, Edinburgh, Specifications for several instruments of which No 6 appears to be most suitable. The diagram and description of it will be submitted to Government with the request that it may be ordered, through the Secretary of State, for the use of the Civil Veterinary Department.
