GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From W. S. MEYER, Esq., President, District Board, Nellore, to the Secretary to Government, Local and Municipal Department, dated 11th February 1897, No. 344-D.B.

With reference to this office letter, No. 954-D.B., dated 1st August 1896, read in G.O., No. 1480 L., dated 17th August 1896, I have the honour to submit herewith a supplemental list of the roads and streets which it is considered desirable to continue to maintain from local funds and which should therefore continue to vest in the local boards under section 49 of the Act.

2. The former list was, I think, unduly restricted, as it was confined mainly to roads for which funds had been provided in the district and taluk board budgets for the current year. The supplementary list now submitted includes all roads for which allotments have been sanctioned up to date and also those for which provision has been made in the next year's budget. As, under the present circumstances, the local boards would be spending money on what is not their property, unless the roads and streets are formally vested in them, I request that the notification published in G.O., No. 1480 L., dated 17th August 1896, may be amended with reference to the present list.

ORDER—No. 422 L., dated 2nd March 1897.

The following erratum will be published in the Fort St. George and Nellore District Gazettes :—
