Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 30th September 1897.

No. 8053 Miscellaneous

W.J.H. Le Fanu Esquire.

(Famine Commissioner).

READ the following letter from the Collector of Anantapur Ref on F.C. No. 1068 dated 23rd September 1897:-

With reference to Boards in P.O. 4871 15-9-97 Proceedings at No. 7285 Miscellaneous (first para with cno. dated the 7th Current, I have the (also) calling upon Collr. to report the steps that honor to state that is already are being taken to close reported in my last Fortnightly up salig.

⊗ Not yet with Govt. I expect to close about 17 cases within the end of this month.

I

I have already issued orders for the closure of thirteen, and a taluk-wise list is appended for the Board's information. Most of the kitchens attached to them will also be closed, excepting those situated at Central parts such as Anantapur, Penukonda, and Kukkapatnam which I desire to continue until the ragi and Cholum harvests are fairly brisk. These are necessary for feeding the cripples and destitutes, who have at present no means of sustenance and who are not likely to be supported by private charity until the next harvests. As regards village and weavers' relief, I think they may be safely discontinued by the end of, if not by the 15th of, October. It is yet somewhat premature to hazard an opinion about the exact time when this can be done, as there is still so much uncertainty about prices and which are not likely to fall to the warning mark until the date I have mentioned.
