S.D. exempting him from all educational cesses. The Bd, however, does not approve of the proposal but would raise his pay from Rs 20 to 25. It is a question for consideration whether it should not be distinctly laid down that the present searcher should get Rs 25 but that his successor should get only Rs 20.

2. Following the ruling in G.O No 776 dt 28-11-95 the pay of the searcher should it is thought be debited to "Customs". If so, she should be excluded from the Villupuram establishment included in the Land Customs Establishment of Kandamangalam.

Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 21st September 1897.

Routine No. 2668

Read again Government Order Mis
No 188 Revenue dated 17th January 189

Read also the following letter
from the Deputy Commissioner
Southern Division No. 4085 dated 30th
August 1897 :—

In Board's Proceedings No2
dated 21st January 1895 the Sanction
of Government was communicated
for the entertainment of a female
Searcher at Kandamangalam and
accordingly a Mrs Theresa Dean
was appointed.

2. Mrs Dean has performed
the duties entrusted to her with
commendable zeal and tact
and

Communicating G.O.

and her employment has resulted
in very considerable savings
to Government in the shape of
duty on Jewellery and valuable
clothes which have been attempted
to be smuggled on a considerable
scale.

3 The Collector of South Arcot
informs me that many instances
of the very commendable manner
in which Mrs Dean has
performed her duties have
come before him and strongly
recommends that her position
should be improved by
grading her in the Sub-Inspector's
lists, and ranking her as a 3rd
grade Sub-Inspector. The De-
partmental officers who have
supervised her work

work also report on it in favourable
terms and I therefore support
Mr Castle Stuart Stuart's
recommendation but
would grade her to start
with as a Sub-Inspector
4th grade. Mrs Dean is
a woman of exceptional
abilities for the post and
I think she is at present
very inadequately remunerated
for the hard and distasteful
work that she has to
perform (for instance as
the night mail passes
Kandamangalam at 1-24 AM
she never by any chance
gets an unbroken night's
rest). She also, practically

practically lives in the Station premises with not another soul of her own nationality within sensal miles.

4. I do not think that we could get another woman to carry on her duties with the same probity and zeal and I therefore beg to place the matter before the Board for favourable consideration. Mrs Dean would of course require to be exempted from all Examination rules."

Resolution

Submitted to Government with the request that in the circumstances stated by the Deputy Commissioner, Sanction may be accorded to raise the pay of the female Searcher at Kanda-manqalam from Rupies 20/- to Rupees 25/- per mensem. The Board does not approve of the proposal to include the post in the Sub-Inspector's Grade
