SUMMARY OF EVIDENCE AND DECISION.

the evidence, it is clear that the land in dispute belongs
and that the stream is the boundary between the British
Territories between the points marked Y-Z on

Field Surveyor who demarcated the village of Kanajanahalli
cluded the whole stream within the village boundary thinking
dolite station stone (which he must have thought was a
me) was fixed on the Mysore side of the stream
to II in the sketch, the whole stream belonged to
halli Village.

boundary between Mysore and British Territories
t was, it is believed, settled in 1867. The present
therefore arisen from a mistake made by the
which was not detected at the time and has only now
to notice by the Mysore officials.

stream should be considered the boundary between
and Mysore Territories and a line drawn along
the stream in the map as the boundary line between
and Mysore Territories between the points marked
the sketch.
