Dated 7th October 1897.

No. 8205 mis

READ ..... the following letter from the Acting Collector of Sivili Canara,

No 643-S. B. K of 1897, dated 23rd September 1897:-

I have the honor to state that it has been usual, with a view to prevent the spread of cattle disease, to enforce Act II of 1866 during the annual cattle fair at Subramania which commences this year on the 9th and lasts up to the 23rd November next.

As the cattle are brought a few days earlier and some may stay later. I would recommend the enforcement of the Act this year during the whole of the month of November. I accordingly request that the Board will be pleased to move Government to issue the necessary notification, enforcing the Act in the Kandel of Kulgunda of Kukka village, Subramania Magane, during the fair and to depute a Stock Inspector to perform the duties of Hospital Pound Keeper under the Act. A native of the District will be preferable to a stranger

2. A draft notification is herewith submitted.

Resolution.

The draft notification received from the Collector of South Canara will be submitted for the approval of Government.

2. In case of approval, the Board requests that the draft may be published in the Fort St. George Gazette, and the Superintendent C. V. D will be requested to depute a Stock Inspector to the Fair.
