Submitting to Govt. South Africa
Collectors draft notification for
the enhancement of pound fees for
goals in the Transvaal and Natal
South Africa Dist., and requesting
that the draft notification in
Section 58 of the Act as amended
by the Bill may be approved
& ordered to be published in
East-South Africa Gazette
early date.

sal of time (very costly of the cost) will be spent in finding it.

Govt have considered since the fees for posts improved in Reserves. The notification seems to include blocks of unreserved land as well as Reserves.

It should be noted in the beginning of the notes (not in each entry) that it applies to the following Reserves in the Pinnacles block of the district of P. Arco, & as list of the Reserves & the villages in which they are situated and then be given. It is unnecessary to detail their boundaries.

Trans. No. 1543 Miscellaneous, communicating to the Collector of South Arcot through the Conservator, Central Circle, G. O., sanctioning the raising of the framed fee in the Tiruvannamalai Forests. Range from one anna to four annas; and requesting the Collector of South Arcot to submit at an early date, the draft notification for the same called for by Government.

again also Board's Proceedings dated 23rd January 1897, Trans. No. 73. Miscellaneous, requesting the Collector of South Arcot to submit through the Conservator at an early date a revised draft notification for levying enhanced rates of

of pound fees for goats trespassing on the reserved forests of the Tiruvannamalai Taluk.

Read also the following letter from A. E. Leslie Stuart Esq. Collector of South Arcot, Ref. No. ⁸²₁₅ dated 8th May 1897.

With reference to Board's Proceedings, Forest No. 73 Miscellaneous dated 23rd January 1897, I have the honor to resubmit the notification in the proper form annexing a Schedule showing the description of the Forest Blocks in the Tiruvannamalai Taluk in which it is proposed to levy enhanced rate of 4 annas per goat impounded. The notification excludes the marginally naked Blocks, the deforestation of which has been sanctioned by Government.

Endorsement thereon by the Commissioner of Forests, Central Circle, No. 1716, dated 16th May 1897.

FOR ORDERS.

In the note recorded in connexion with the draft Go. on the accompanying current, the H.M. remarks

(1) that the Govt. has merely consented to raise the fees for goats unpounded in reserves but that the notification seems to include reserved lands as well as reserves and

(2) that the draft notification now submitted is absurdly voluminous and the boundary descriptions should be omitted as unnecessary.

2. As regards item (1) above, it is submitted that of the 28 blocks included in the proposed notification 23 have already been declared

reserved

228/6197

reserved forests under Sec 16 of the Forest Act (vide papers flagged A, B, ^{A2} and B), while the remaining five, viz Puzhuvu, Munnamangalam, Uthumalai, Sorakolathur and Damarakadu, situated apparently in the midst of the 23 above mentioned, have been notified under Sec 4 (vide papers flagged C and D) and are thus reserved lands under the definition given in rule 3 of the general rules under Sec 26 (flagged E). It will thus be seen that in the notification now under consideration it is not proposed to include any unreserved land. Great as to the question whether the Order of Nov: last (flagged F) intended to restrict the ^{applicability of the} notification to reserved forests declared to be such under Sec 16 of the Forest Act, it is submitted that the order merely sanctioned the raising of "the pound fee in the case of goats from one anna to four annas in the Tiruvannamalai range" and apparently contemplated

FOR ORDERS.

It is felt that since the name of the Reserved Forest without the boundaries of the Forest can be identified from its name and number -

22/6/97.

I should have said "Reserved Lands" instead of "Reserve". So far as I could see from the papers this part of some of the blocks were unreserved

23

The Board recommended raising two fees in Reserved Lands & Govt agreed to this

23

It is submitted that as the Reserved Lands are among the reserved forests to exclude them might largely defeat the purpose of the notification which is to protect the forests from the attacks of goats

contemplated the inclusion of reserved lands as well when in also fees for grazing are levied and protective measures are adopted. Orders are in the above circumstances solicited as to whether any of the blocks should be excluded from the proposed notification.

3. As regards the curtailment of the size of the notⁿ it is submitted there is no order prescribing the present form and the Govt's directions on the point will be carried out subject to such modification as may be necessary to be made therein with reference to the orders that may be passed on the subject of the inclusion or exclusion of reserved lands in the notⁿ of reserved lands. Orders are however solicited in this connection as to whether of the description of the boundaries is to be omitted under Sec 40, the number of the notⁿ with the page and date of the Gazette in which they are published should be given in addition to

The Govt considers
that the draft notification
now submitted is unnecessarily
long and that there is no
object in republishing the
descriptions of boundaries
which have once appeared in
the official gazettes concerned.
The revised note appended to
the present Progs has accord-

G.O., No. 534, 5th July 1897.

JULY.

Pound fee for goats.

Ordering the publication in the Fort St. George and the South Arcot District Gazettes of a notification prepared in the Government office for the raising of the — in the Tiruvannamalai Forest Range and requesting the Board to adopt it as a model in the preparation of future notifications under section 58 of the Madras Forest Act.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—again G.O., Mis. No. 4657, Revenue, dated 18th November 1896.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Forest Mis. No. 1380, dated 13th October 1896 :—

Read—Endorsement of the Conservator of Forests, Central Circle, dated 6th October 1896, No. 545, on letter from the Collector of South Arcot, dated 26th September 1896, Ex. Cur. No. 196.

Resolution—Forest Mis. No. 1380, dated 13th October 1896.

Submitted for the information of Government with reference to paragraph 9 of G.O., No. 143, dated 24th March 1896, in which Government expresses an opinion that the rates of composition for grazing offences in the Tiruvannamalai taluk of South Arcot must either be increased or more ample provision must be made for the grazing requirements of the neighbourhood.

2. The Collector explains that the difficulty is mainly in connection with goat browsing, and shows conclusively that it is impossible in this taluk to make any provision for goat browsing in reserved forests, without prejudicing the interests of agriculturists for the grazing of whose cattle the whole area available is far from being excessive. If goat owners can no longer find sustenance for these animals on the 92,000 acres of unreserved lands which they have already reduced to the condition of barren wastes, they must either refrain from keeping so many of them, or arrange for the growth of fodder on patta lands. Though the Board is not prepared to join unreservedly in the Collector's expression of satisfaction at the reduction in the number of goats shown by recent statistics, it regards it as a part of the legitimate price which may have to be paid for a satisfactory system of forest conservancy.

3. The Board supports the Collector's recommendations that an enhanced pound fee may be sanctioned in the case of goats, but it concurs with the Conservator in considering that it might be as well not to raise the fee at once from 1 anna to 8 annas. A fee of 4 annas might be tried in the first instance.

with letter and its two enclosures
in original to be returned.

Order—Mis. No. 4657, Revenue, dated 18th November 1896.

The Government agrees with the Board of Revenue and accepts its proposal to raise the pound fee in the case of goats from 1 anna to 4 annas in the Tiruvannamalai range. The Board is accordingly requested to submit the necessary draft notification under section 58 of the Forest Act for the approval of Government and publication in the Fort St. George and the South Arcot District Gazettes.

Read—also the following Proceedings of the Board of Revenue (Land Revenue), Forest Mis. No. 527, dated 3rd June 1897 :—

Read—again Board's Proceedings, Forest Mis. No. 1543, dated 26th November 1896.

ABSTRACT.—Communicating to the Collector of South Arcot (through the Conservator, Central Circle), Government Order sanctioning the raising of the pound fee in the Tiruvannamalai Forest Range from 1 anna to 4 annas; and requesting the Collector of South Arcot to submit, at an early date, the draft notification for the same called for by Government.

Read—again Board's Proceedings, Forest Mis. No. 73, dated 23rd January 1897.

ABSTRACT.—Requesting the Collector of South Arcot to submit (through the Conservator), at an early date, a revised draft notification for levying enhanced rates of pound fees for goats trespassing on the reserved forests of the Tiruvannamalai taluk.

Read—also the following letter from A. E. CASTLESTUART STUART, Esq., Collector of South Arcot, Ref. No. 82-Sup., dated 8th May 1897 :—

With reference to Board's Proceedings, Forest Mis. No. 73, dated 23rd January 1897, I have the honour to resubmit the

notification in the proper form annexing a schedule showing the description of the forest blocks in the Tiruvannamalai taluk in which it is proposed to levy enhanced rate of 4 annas per goat impounded. The notification excludes the marginally-noted blocks, the disforestation of which has been sanctioned by Government.

Endorsement on the above by the Conservator of Forests, Central Circle, No. 1716, dated 16th May 1897.

Forwarded.

Resolution—Forest Mis. No. 527, dated 3rd June 1897.

Submitted to Government with reference to its order, Mis. No. 4657, Revenue, dated 18th November 1896, with the request that the draft notification under section 58 of the Forest Act as now amended by the Collector may be approved and ordered to be published in the Fort St. George Gazette at an early date.

(True Copy and Extract.)

(Signed) N. S. BRODIE,
Acting Secretary.

To the Secretary to Government, Revenue Department,
with notification.

ORDER—No. 534, Revenue, dated 5th July 1897.

Forest No. 114.

The Government considers that the draft notification now submitted is unnecessarily long and that there is no object in republishing the descriptions of boundaries which have once appeared in the official gazettes concerned. The revised notification appended to the present Proceedings has accordingly been drawn up in the Government office and will

be published in the Fort St. George and the South Arcot District Gazettes. The Board will be requested to see that future notifications under section 58 of the Forest Act, whenever they have reference to whole reserves, are, as far as possible, prepared in the form now adopted.
