READ—Endorsement of the Deputy Commissioner, Northern Division, dated 26th August 1897, No. 2202, on letter from the Assistant Commissioner, Chicacole Sub-Division, dated 23rd August 1897, No. 3154.

ABSTRACT.—Submitting, with support, Chicacole Assistant Commissioner's proposals for the establishment required for working the tree-tax system in the twenty-six agency villages below the ghâts of Golconda taluk.

RESOLUTION—No. 382, dated 6th September 1897.

In the paper read above, the Assistant Commissioner, Chicacole Sub-division, supported by the Deputy Commissioner, Northern Division, submits proposals for certain additions to, and changes in, the establishments sanctioned for the Polavaram Circle consequent on the extension of the tree-tax system to the twenty-six Agency villages of the Golconda taluk. Briefly, Mr. Leggatt's proposals are—

(i) that a temporary Sub-Inspector with the usual orderly of three peons should be employed for six months annually. He states that the number of trees likely to be tapped in these villages cannot be higher than 50 sago and 150 date palms and that the two Sub-Inspectors already sanctioned for the taluk can well manage to mark these additional trees without difficulty, but that, in view of the facts that the area over which the villages are spread is considerable and that a great deal of illicit tapping may be attempted until the Abkâri Act has been in force for some time, it will be advisable to strengthen the establishment as above indicated for a year or two at least;

(ii) that the orderly of the Sub-Inspector, Narsapatam range, may be reduced from six to three peons in view of the relief that will be afforded to him by the adoption of proposal (i); and

(iii) that the Nakkapalle party in the Sarvasiddhi taluk may be abolished, the fourteen villages at present patrolled by it being redistributed among the Sarvasiddhi, Chandanada and Pentakota parties.

2. These proposals which result in a net decrease of Rs. 768 per annum under

permanent and an increase of Rs. 294 under temporary establishments seem well considered and may be approved. Two proposition statements in duplicate are submitted for sanction.

3. A statement showing the preventive establishment of the Polavaram Circle as it stands at present and as proposed is also appended.

4. With reference to the last sentence of paragraph 4 of the Assistant Commissioner's letter, he will be informed that it is better to allow an ample number of toddy shops to begin with. Some of them can be abolished later on if found necessary.
