Edmund Millett
Assistant Secretary.

To
The Secretary to Government Revenue Department
with reference to Mis G.O 3110 dated 30th May 1888.

Remarks.

Chatrapur (Madras) A. Decrease in Sales upto the end of the month is due to the traders of Cuttack resorting to Naupada where the salt is selling at a comparatively low rate and to the prevalence of Cholera and fever in Purla. The increase in Sales in the month has not been explained by the Assistant Commissioner. Decrease in Collections is due to smaller cash Sales.

Chicacole B. Increase in Sales is due to the Cuttack traders resorting to Naupada for the purchase of the old excise salt and to the prices at Kupili as well as at Calingapatam being lower than in Castigaon. Decrease in collections is due to larger credit sales and to smaller realizations on account of previous credits.

Cocanada C. Increase in Sales is due to the reduction in the prices of excise salt on account of competition among the licensees and to the larger removals from Irrapalturu into the Delta Taluqs. Decrease in Collections is due to smaller cash Sales and to smaller realizations on account of previous credits.

Masulipatam D. Decrease in Sales upto the end of the month is due to the bad quality of the salt sold at Mangimapudi and to the high prices charged by the licensees. Increase in Sales in the month has not been satisfactorily explained by the Assistant Commissioner. Decrease in Collections is due to smaller realizations on account of previous credits.

Nellore E. Increase in Sales is due to the greater demand from Bezwada, where stock was not kept in reserve and to the auction Sales at Kamparti at a reduced rate. Decrease in Collections is due to smaller cash Sales.

Chingleput F. Increase in Sales is due to the clearance of their old Stock by the excise licensees to

to the reduced prices at which Salt is offered at Markanam and to the absence of exports during the corresponding period of last year. Decrease in Collections is due to smaller cash Sales.

Vizagapatam—G. Decrease in Sales is due to the competition of Markanam Salt in the markets of the Cuddalore District and to the Salt of the Kattumavadi factory not being in favour with the trade. Decrease in Collections is due to smaller Cash Sales.

Tinnevelly—H. Increase in Sales is due to the light Salt offered for Sale in certain factories, to the heavy export sales at Arasadi and Savan-Lakkolam and to the cheaper rates at which Salt is sold at Kayamar. Decrease in Collections is due to smaller cash Sales.

Calicut—I. Increase in Sales in the month is due to the favourable character of the Season for fishing. The decrease in Sales up to the month is due to the Season having been unfavourable for fishing.

Assistant Secretary.
