SIR,

With reference to the correspondence ending with your telegram of the 10th instant, regarding the proposed appointment of M.R.Ry Ch Venkatachalam Pantalu, a fourth grade Deputy Collector now on furlough, as receiver of certain estates in the Kistna District, I am directed to say that if there is a public object to be served by this appointment the Government of India will have no objection to the Deputy Collector being allowed to accept it as one of Foreign Service of the second kind, provided he pays the prescribed contribution . But if there is no such object to be served, he being a servant of Government should not be allowed to take any private employment so long as he is in its service.

I have the honour to be,

C. No. 8587 & 8747 of 1897

The Hon'ble Mr. Grose, C.S.I.

From the Government of India

Dated 27th September & 1st October 1897.

FOR ORDERS.

I know of no public object that would be served by Venkatachalam's appointment as receiver, & he must be told that he cannot take it so long as he is in the Service of Govt. He should further be informed that Govt cannot allow him to take charge even if there till they have disposed of the reports about his conduct & the Localization of Revenue Work & in administering Swarnamukhi Dasam, but will grant any extension of leave he applies for if he is eligible. Since A. G. has not yet reported whether he is eligible or not

I submit Venkatachalam's letter to be replied.

11/11/97.

In reply to our letter dated 11th August 1897 No 4186 the Government of India states that if there is a public object to be served by the appointment of Mr. Rly Ch. Venkatachalam Pantulu as Receiver of certain estates in Nellore it has no objection to his being allowed to accept it as one of Govt's Service of the 1st kind subject to the payment of the prescribed contribution and that if there is no such object to be served he should not be allowed to take up the appointment. It seems doubtful whether the acceptance by a Govt servant of an appointment of Receiver made by a Court of Law can be regarded as serving any public object. Orders are solicited.

2. The Dy Collector is now on furlough

subject shall as the end of my furlough is approaching, I beg to know if I can entertain a prospect of my obtaining sanction shortly to take up the office of Receiver. In case I can expect the final orders on the matter by the 20th or so, I shall not want the extension but should there be a further delay taking me into the next month, I should be in want of leave & therefore I apply for the extension.

3. If Govt has been pleased to recommend my case to the Government of India for sanction as to my taking up the office of Receiver, may I request that orders of the Government of India may be obtained by wire & communicated to me by wire too as requested in my petition of 11th June last? The pleaders of one of the parties to the suit & the party himself have been urging the immediate necessity of my taking up the office & for that purpose of my obtaining Powers of Government as soon as possible, stating at the same time that in view of their interests in the Estate they are under the immediate necessity of moving the Court to appoint a non-official in case I cannot obtain orders immediately but for this reason I should not trouble Government to obtain & send me telegraphic orders.

4. If I am not to be fortunate enough to be favored with orders to take up the office of Receiver, I should like to join my post in the Public Service & in this view I respectfully request that instructions may be issued to me so that after 20th Inst. Current, I may hold myself in readiness to join my post at Narsapur, for any deil to which I believe I now stand posted unless Government be pleased to direct me

for join elsewhere

5- I submit this petition because I find myself in the last minute of the one years leave granted to me, with no near & clear prospects of being permitted to take up the Office of Receiver without the danger of my overstepping the leave & also because just now the party & his pleaders are most urgent about my taking up the office at once-

6. I beg to enclose herein 5 Rs worth of telegraph labels to cover the telegraphic charges in pursuance of my request-

the 31 Instant. He requests that he may be granted an extension of furlough for one month if the final orders of the Govt of India cannot be communicated to him before the expiry of his leave. He also requests that he if he is not permitted to take up the office of Receiver instructions may be issued to him so that after the 20th Instant he may hold himself in readiness to join his permanent appointment at Narsapur or at some other place to which he may be posted by Govt. have not been received as yet. Though several reminders have been issued

This Deputy Collr will be 55 years old in Sept 98. He is under report for great inefficiency. It seems to me therefore that he Govt not be allowed to join this service but that he be kept on leave till his retirement. This is a very unusual course to take. It seems very difficult to get the report in his case out of the local Officers. Pending it's disposal anyway he Govt not be allowed to come back to active service.
