Department of Revenue and Agriculture.
Land-Revenue. SIR,

With reference to the correspondence ending with your telegram of the 10th instant, regarding the proposed appointment of M.R. Ry Ch Venkatachalam Pantalu, a fourth grade Deputy Collector now on furlough, as receiver of certain estates in the Kistna District, I am directed to say that if there is a public object to be served by this appointment the Government of India will have no objection to the Deputy Collector being allowed to accept it as one of Foreign Service of the second kind, provided he pays the prescribed contribution. But if there is no such object to be served, he being a servant of Government should not be allowed to take any private employment so long as he is in its service.

I have the honour to be,

Sir,

Your most obedient servant,

The Honble Mr. Justice C. J. J.

From the Government of India
M. R. Ch. Venkatachalam Pantulu.

Dated 27 September 1897.

FOR ORDERS.

Sl. No. 1

Sl. No. 2

I know of no public object that
will be served by Venkatachalam
appointed as receiver, as he
must be told that he cannot
take it, as long as he is in
the service of Govt. He did
further be informed that
Govt. cannot allow him
to take charge any other
bill they have disposed of
the reports about his conduct
and the Localization of
Manual Work & in ad-
ministration Income Tax, but
will grant an extension of leave
if he applies for it & is eligible.
The A. S. has not yet reported
whether he is eligible or not.

I submit 28.14/10/97

but he is refused.

11/11/97

In reply to our letter dated
11th August 1897 No 4186 the Government
of India states that if there is a
public object to be served by the
appointment of M. R. Ch. Venkata
Chalam Pantulu as Receiver of certain
estates in District it has no objection
to his being allowed to accept it
as one of Govt. service of the Govt.
kind subject to the payment of
the prescribed contribution and that
if there is no such object to be served
he should not be allowed to take
up the appointment. It seems
doubtful whether the acceptance
by a Govt. servant of an appointment
of Receiver made by a Court of law
can be regarded as serving any
public object. Orders are
solicited.

2. The Dy Collector is now in the
process of making a report on the
subject.

Incident of 1897
6 October 1897
The Secretary to Government of Madras
Revenue Department
Referring to Govt. Order No.
3634 dated 15th July 1897, in reply to
which I submitted my letter dated
24th July to the Secy of Rev. I beg
respectfully to state that my furlough
for one year will expire by the end of
the current month, & to request that a
provisional extension of one month's
furlough may be granted to me pending
the final orders in regard to my taking
up the office of Receiver of the Vallur Estate,
as the Accountant General has I believe
already declared my title to the same.
I have been awaiting orders on the
subject.

subject date as the end of my furlough is approaching, I beg to know if I can entertain a prospect of my obtaining sanction shortly to take up the office of Receiver. In case I can expect the final orders on the matter by the 30th or so, I shall not want the extension but should there be a further delay taking me into the next month, I should be in want of leave & therefore I apply for the extension -

3. If Govt. has been pleased to recommend my case to the Government of India for sanction as to my taking up the office of Receiver, may I request that orders of the Government of India may be obtained by wire & communicated to me by wire too as requested in my petition of 11th June last? The pleaders of one of the parties to the suit & the party himself have been urging the immediate necessity of my taking

up the office & for that purpose, of my obtaining the orders of Government as soon as possible, saying at the same time that in view of their interests in the estate they are under the immediate necessity of moving the Court to appoint a non-official in case I cannot obtain orders immediately but for this reason I would not trouble Government to obtain & send me telegraphic orders -

If I am not so fortunate enough to be favored with orders to take up the office of Receiver, I should like to join my post in the Public Service & in this view I respectfully request that instructions may be issued to me so that after 20th current, I may hold myself in readiness to join my post at Barsapan, for any post to which I believe I now stand posted unless Government be pleased to direct me

to join elsewhere

5- I submit this petition because I find myself in the last month of the one year's leave granted to me, with no near & clear prospects of being permitted to take up the Office of Receiver without the danger of my overstepping the leave & also because just now the party & his pleaders are most urgent about my taking up the office at once.

6. I beg to enclose herewith 5 Rs worth of telegraph labels to cover the telegraphic charges in pursuance of my requests.

I beg to be
your most obedient servant

W. H. Venkatachali

the 31 Instant. He requests that he may be granted an extension of furlough for one month if the final order of the Govt of India cannot be communicated to him before the expiry of his leave. He also requests that if he is not permitted to take up the office of Receiver instructions may be issued to him so that after the 20th Instant he may hold himself in readiness to join his permanent appointment at Narsapur or at some other place to which he may be posted by Govt. Attention is respectfully invited to the papers submitted with G.O. 2 of 2 April 1897 No 1772 Mds. The report & the explanation called for in G.O. 2 of 29 September 1896 No 3894 Mds have not been received as yet. Though several reminders have been issued.

This Deputy Col. will be 55 years old in Sep. 98. He is under report for great inefficiency. It seems to me stronger that he should not be allowed to rejoin the service but that he kept on leave till his retirement. This is a very merciful course to him. It seems very
